ALL GSM ASSOCIATION MEETINGS ARE HELD IN ACCORDANCE WITH THE GSMA'S ANTI-TRUST AND IPR COMPLIANCE POLICY

Security Classification		
Non-Confidential	Project Team or Group	X

© GSMA, 2022. The GSM Association ("Association") makes no representation, warranty or undertaking (express or implied) with respect to and does not accept any responsibility for, and disclaims liability for the accuracy or completeness or timeliness of the information contained in this document. The information contained in this document may be subject to change without prior notice. This document has been classified according to the GSMA Document Confidentiality Policy.

1. GSMA Antitrust Policy and Agenda

GSMA Anti-trust and US entity list statement were noted.

Agenda for the meeting was approved

2. OPG#101 Meeting minutes

No comments were made.

Minutes of OPG#101 were approved.

3. Action Points

OPG97.2 – remains open

OPG 100.01 – communication initiated

OPG 100.02 – LS will be closed, however additional meeting scheduled 18th August. Open

OPG 101.02 – Volunteers called for to work on CR. Neal volunteered. Neal will lead actions in the next OPG Call.

AP – Sandra to set up a short call between Sandra, Neal and Tom to discuss in more detail.

4. Release Planning

Mark Showed the release planning for Las Vegas and Barcelona releases and requested that participants complete the survey on priorities.

Sandra took the meeting through the approval process for the OPAG PRDs. Sandra to send an email with links to both documents on sharepoint. Review on OPG will be August 30th. If no major comments then documents will move to approval in ISAG

Request from Milan, If you make comments then please mail Milan and Deepak for information. Sandra will ask Tom to support with informing on changes. Due to holiday please make every effort to provide feedback by the 26th August

5. LS to SA6

Detailed discussion and online editing in the meeting of the working document

AP Sandra will raise a CR regarding edge definitions following the reply to the LS question 2

AP Deepak and Niranth will create a maintenance CR on explanations on Q3 from LS on sharing

Niranth – IaaS and PaaS are different in SA6. Present OPG model there is no separation. Operator platform provides a seemingly singular network.

Neal – Groups come from a different positions, we should start with the basics and visualise gaps.

Niranth and Neal will prepare some material to contribute to session on 18th August that will take place instead of the programmed OPAG meeting

Discussions continue from Q4 in call on Thursday.

6. AOB

F2F meeting in September on 28 and 29th will be held in France.

- Hôtel Mercure Paris Porte de Versailles Expo
- Address: 36 38 Rue du Moulin, 92170 Vanves, France
- **Dates:**
- 28-29 September
- targeting 1 day OPG and 1 day OPAG and no TEC Forum meeting

#102 Call closed at 15:00 BST
