Security Accreditation Scheme

Accredited Supplier

Scope of Certification

To be viewed in conjunction with Security Accreditation Scheme Certificate No: BW-BG-0716

Production Site(s): Beijing Watch Data System Co., Ltd., Beijing, China

Following audit of this UICC production site against the requirements of v*4.3* of the GSM Association Security Accreditation Scheme (SAS) standard the auditors are pleased to recommend certification with the following scope:

Generation of data for UICC personalisation:	Within audit scope (all form factor UICCs)	**UICC personalisation:**	Within audit scope (card form factor UICCs)
Personalisation of UICC PIN mailers:	Not carried out at this site	**Value-added fulfilment of UICCs:**	Within audit scope (card form factor UICCs)

Outsourcing: These activities were outsourced and not subject to review by the auditors	None of the activities within the scope of SAS were outsourced at the time of the audit	**Exclusions:** These activities were excluded from the scope of the audit	None defined

The auditors were provided with appropriate evidence that the processes and controls at the time of certification were consistent with those required by the SAS standard.
