Terms of Reference for the GSMA Channel Partner Roundtable

Purpose

Govern activities of the GSMA Fusion Channel Partner Community to Advance global Channel Partner connectivity, innovation, scalability, and standardisation.

Deemed Accepted by Attendance

Objectives & Outcomes

- Support GSMA Fusion – Open Gateway and GSMA Connected Industries.
- Identify connectivity challenges and innovation barriers in Channel Partner.
- Engage in GSMA groups, consultations, and workshops.
- Share best practices and gather enterprise requirements to inform standards.
- Develop and publish Statements of Requirements.
- Aim for Joint Statements of Requirements to drive interoperability and standardisation.

Participation

- Open to GSMA Members and non-Members with a legitimate Channel Partner interest. Participants must:
- Act in good faith and support the Roundtable's objectives.
- Comply with GSMA Antitrust Policy and legal requirements.
- Maintain confidentiality of shared information.
- Accept GSMA AA.35 Procedures for Industry Specifications.
- Acknowledge GSMA's right to remove participants at its discretion.
- Accept that GSMA has no liability for claims related to Roudtable activities and information.
