

Security Accreditation
Scheme

Certificate No: BC-TP-0717

Certificate

This is to certify that

Beautiful Card Corporation, Taipei, Taiwan

has participated in the GSM Association Security Accreditation Scheme
and satisfied the scheme's requirements.

This certificate remains valid until the end of July 2017.

A handwritten signature in black ink, appearing to be 'AS', with a long horizontal line extending to the right.

Alex Sinclair
Chief Technology Officer
GSMA

Scope of Certification

To be viewed in conjunction with Security Accreditation Scheme Certificate No: BC-TP-0717

Production Site(s): Beautiful Card Corporation, Taipei, Taiwan

Following audit of this UICC production site against the requirements of v4.3 of the GSM Association Security Accreditation Scheme (SAS) standard the auditors are pleased to recommend certification with the following scope:

Generation of data for UICC personalisation:	Within audit scope (all form factor UICCs)	UICC personalisation:	Within audit scope (card form factor UICCs)
Processing of data for subscription management:	Not carried out at this site	Value-added fulfilment of UICCs:	Within audit scope (card form factor UICCs)

Outsourcing: These activities were outsourced and not subject to review by the auditors	Manual value-added fulfilment of UICCs includes outsourcing of some activities which take place off-site, outside of the scope of the SAS-UP audit and certification. No other activities are outsourced for this site.	Exclusions:	None defined
		These activities were excluded from the scope of the audit	

The auditors were provided with appropriate evidence that the processes and controls at the time of certification were consistent with those required by the SAS standard.
