Scope of Provisional Certification

To be viewed in conjunction with Security Accreditation Scheme Certificate No: MO-CP-SM-1017

Site(s):   Morpho Craponne, Craponne, France

Following audit of this site against the requirements of v2.0 of the GSMA SAS-SM Standard, the auditors are pleased to recommend provisional certification with the following scope:

Subscription Management – Data Preparation:	Within audit scope	**Subscription Management – Secure Routing:**	Within audit scope
Data Centre Operations and Management	Within audit scope		

Outsourcing: These activities were outsourced and not subject to review by the auditors	None of the activities within the scope of SAS were outsourced at the time of the audit.	**Exclusions:** These activities were excluded from the scope of the audit	None defined

The auditors were provided with appropriate evidence that the processes and controls at the time of provisional certification were consistent with those required by the SAS-SM Standard.
