# Scope of Provisional Certification

To be viewed as part of Security Accreditation Scheme Certificate No: TE-LN-SM-0119

**Production Site: Truphone Limited**

**Site Address: 25 Canada Square, Canary Wharf, London, E14 5LQ United Kingdom**

This site was audited against the requirements of v3.0 of the GSMA SAS-SM Standard and v2.0 of the SAS Consolidated Security Requirements, with the following scope:

<b>Subscription Management – Data Preparation:</b>	Out of scope	<b>Subscription Management – Secure Routing:</b>	Out of scope
<b>Data Centre Operations and Management</b>	Within audit scope	<b>Subscription Management – Data Preparation+ (ref. SGP.22):</b>	Within audit scope
<b>Subscription Management – Discovery Service</b>	Within audit scope		

<b>Outsourcing:</b>	The RSP platform is hosted from a third party data centre, provided and managed by Interxion.	<b>Notes &amp; Exclusions:</b>	There are no exclusions for this site.
---------------------	---	--------------------------------	--

The auditors were provided with appropriate evidence that the processes and controls on the audit dates were consistent with those required by the SAS-SM Standard.

**For and on behalf of NCC Group**  
(Katherine Kearns)

**For and on behalf of SRC GmbH**  
(Tom Schubert)

SAS certification is awarded based on an assessment by the audit team that the site met the requirements of the SAS Standard during the audit, and that it demonstrated an ability and intent to sustain compliance during the certification period. Continued site compliance with the SAS Standard during the certification period, including the implementation of SAS-compliant controls following any changes to the certified environment, is the responsibility of the site. This certificate cannot guarantee that the above organisation is invulnerable to attack or breaches of security. GSMA, NCC Group and SRC GmbH exclude all liability for loss or damage of any description caused by any failure or breach of the above organisation's security save as may be required by law.
