Scope of Certification

To be viewed as part of Security Accreditation Scheme Certificate No: IR-SN-UP-0719

Production Site: Shenzhen iGear Technology Inc

Site Address: 8 ChuangYe Road 1, YongChengLong Ind Park, LongCheng Community, LongGang, Guangdong, Shenzhen, China

This site was audited against the requirements of v8.0 of the SAS-UP Standard and v2.0 of the SAS Consolidated Security Requirements, with the following scope:

Generation of data for personalisation:	Not carried out at this site	Personalisation:	Within audit scope. Card form factor UICCs: Full certification Embedded form factor UICCs: Provisional certification
Management of PKI certificates:	Not carried out at this site	Post-personalisation packaging:	Not carried out at this site

* Provisional certification expires July 2019

Outsourcing:	No activities are outsourced for this site These activities were outsourced and not subject to review by the auditors	Exclusions:	iGear Shenzhen personalises UICCs using production data generated by its customers. Although encryption keys are used to protect production data, key management is setup by customers. iGear is not SAS-UP certified for key management processes or controls. These activities were excluded from the scope of the audit
---------------------	--	--------------------	---

The auditors were provided with appropriate evidence that the processes and controls on the audit dates were consistent with those required by the SAS-UP Standard.

For and on behalf of FML

For and on behalf of ChaseWaterford
(Max Kennett)

SAS certification is awarded based on an assessment by the audit team that the site met the requirements of the SAS Standard during the audit, and that it demonstrated an ability and intent to sustain compliance during the certification period. Continued site compliance with the SAS Standard during the certification period, including the implementation of SAS-compliant controls following any changes to the certified environment, is the responsibility of the site. This certificate cannot guarantee that the above organisation is invulnerable to attack or breaches of security. GSMA, FML and ChaseWaterford exclude all liability for loss or damage of any description caused by any failure or breach of the above organisation's security save as may be required by law.
