Mariana Dahan
ID4D Program Coordinator
The World Bank

Support the Sustainable Development Goals (target #16.9) :
"provide legal identity for all, including birth registration, by 2030"

people in the world who are unable to prove their identity

*** World Bank ID4D estimates** as of January 2016. This number is an initial broad estimate based on available information for 198 countries

Contribute to **ending extreme poverty** and **improving service delivery**:

375 million*

people declare not having access to financial services for lack of recognized ID documentation

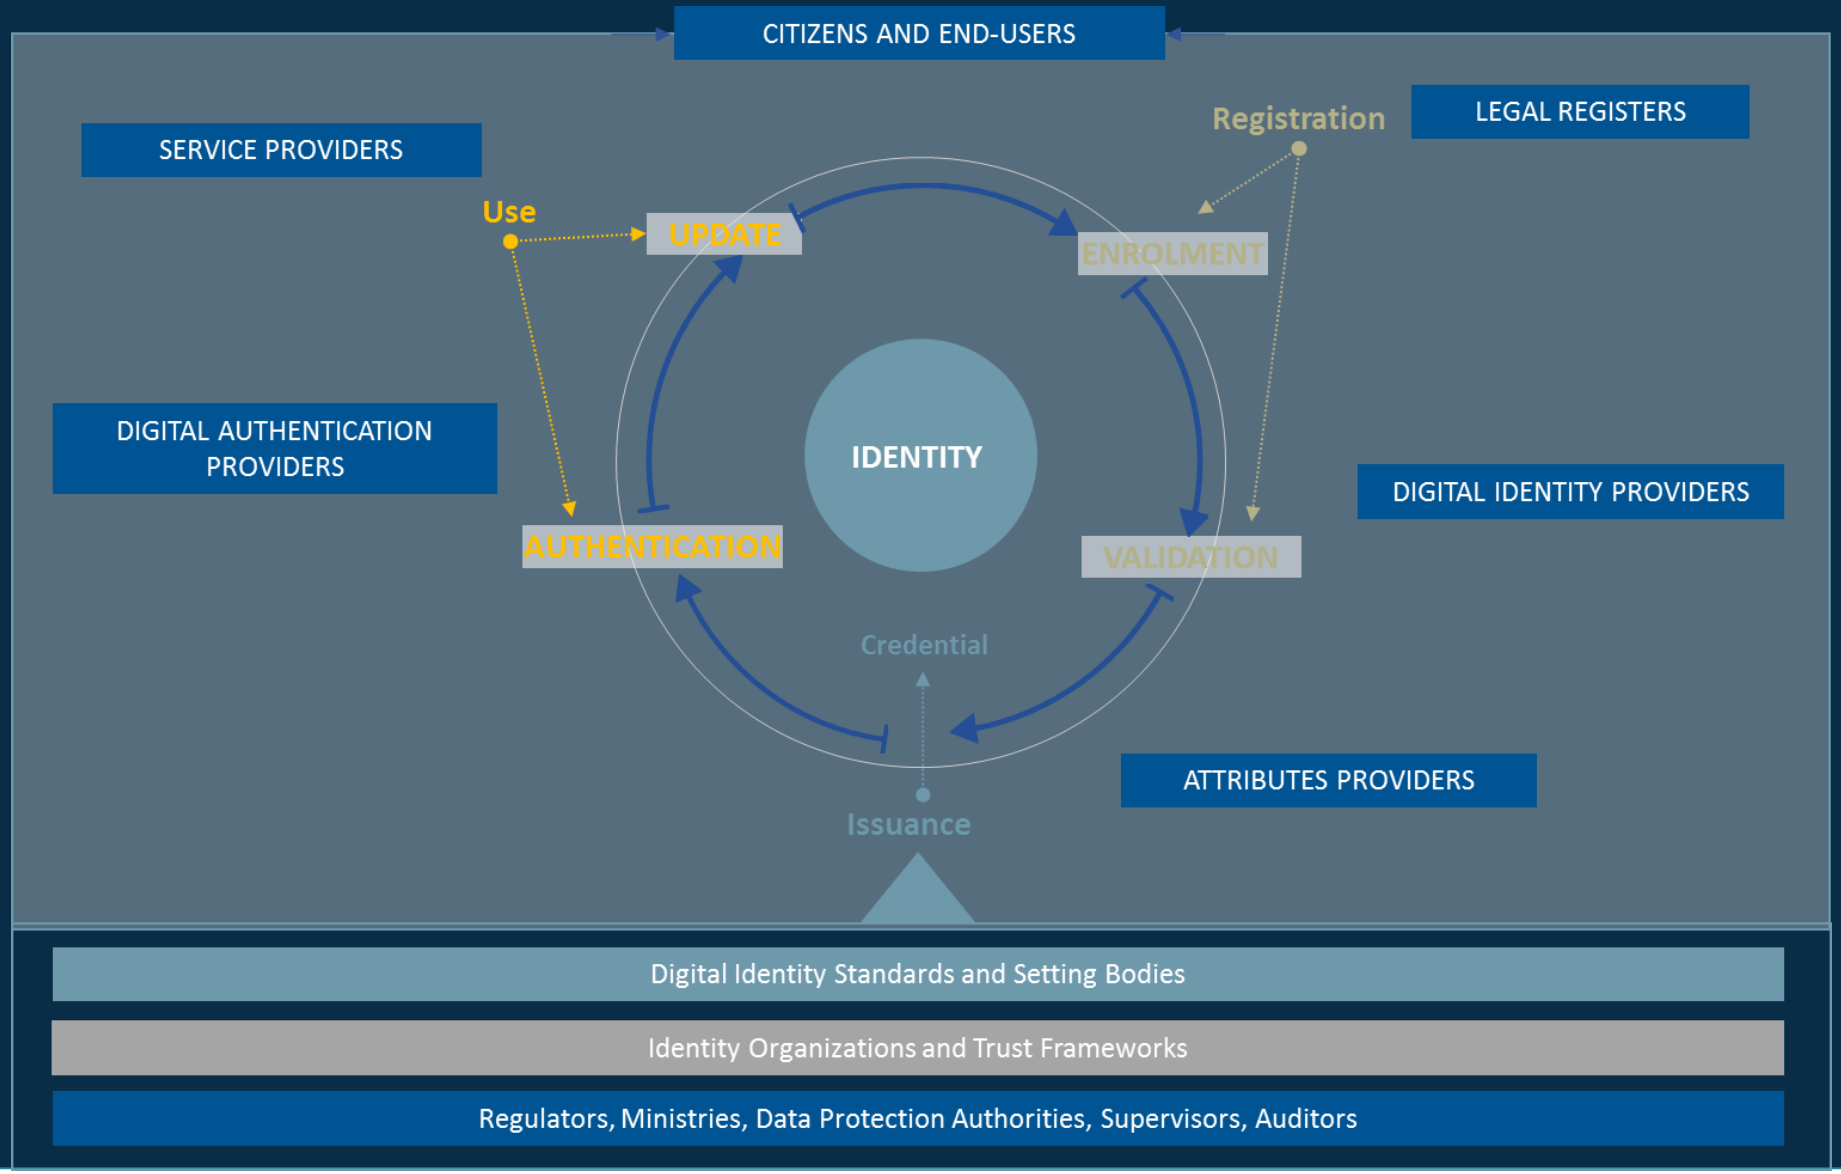
50 billion dollars**

could be saved annually in global public spending by 2020 due to digital ID-enabled services

* 2015 estimates, FINDEX data, World Bank

* * for more see Dahan M. and Sudan R., 2015, World Bank

Growing Ecosystem of **Value Chain Players** and **Key Stakeholders**



The World Bank's ID4D Agenda

VISION

Making Everyone Count

Support progress toward identification systems using 21st century solutions that enable access to services and rights for all

MULTI-STAKEHOLDER PARTNERSHIP PLATFORM

Making Everyone Count
