### Speaker Biographies

**Lisa Hall, Director of Roaming Implementation, AT&T Mobility & Consumer Markets.**

Lisa has been employed with AT&T for 23 years. She has worked in roaming since 2000. She has managed the IREG/TADIG teams responsible for onboarding roaming agreements and past roles also included managing network performance testing for roaming. Her current role as Director of Roaming Implementation includes teams responsible for implementation for all services related to Voice/Data/Wi-Fi, IR21/Data Management, LAC Management, and Roaming Data Translations. Lisa's team was a key member of the LTE deployment projects in 2013.
