

Montenegro

Exposure guidelines	National limits are based on ICNIRP.
Planning Authority	Municipalities.
Requirements for planning permission	Building permits are required for all new sites. In order to get the building permit the operator has to have: the radio permit issued by NRA; the electrical power approval issued by Montenegrin Electrical Power Trade; the fire protection approval issued by Ministry of Internal Affairs and the ecological approval issued by municipality.
Timescales for Permission	Typically 12 months (it takes six months to get the ecological approval).
Appeals process	If the municipality does not provide the permission, operators could appeal to the Chief administrator of the local government.
Public Consultation	Public consultations with local communities are mandatory.
Exemptions & Existing site upgrade	Exemptions for indoor repeaters. Existing site upgrades are considered as adaptation, and only requested is the radio permit update.
