Security Accreditation
Scheme

Scope of Certification

To be viewed as part of Security Accreditation Scheme Certificate No: IR-SN-UP-0721

Production Site: Shenzhen iGear Technology Inc,

Site Address: 8 ChuangYe Road 1, YongChengLong Ind Park, LongCheng Community, LongGang, Guangdong, Shenzhen, China

Supporting site(s) details: Not applicable

The auditors were provided with appropriate evidence that the processes and controls on the audit dates were consistent with those required by the SAS-UP Standard v8.0 and the SAS Consolidated Security Requirements v2.0, with the following scope:

Generation of data for personalisation: Not carried out at this site

Personalisation: Card, Embedded

Management of PKI certificates: Not carried out at this site

Post-personalisation packaging: Not carried out at this site

Outsourcing: No activities are outsourced for this site.

These activities were outsourced and not subject to review by the auditors

Notes & Exclusions: This site personalises card and embedded form-factor UICCs on an OEM basis. Although encryption keys are used to protect production data. iGear has not demonstrated any of processes or controls for key management as part of the SAS-UP certification process.
