Security Accreditation
Scheme

Scope of Certification

To be viewed as part of Security Accreditation Scheme Certificate No: GD-MH-UP-1219

Production Site: Giesecke+Devrient Mobile Security GmbH

Site Address: Prinzregentenstrasse 159, Munich, 81607, Germany

This site was audited against the requirements of v8.0 of the SAS-UP Standard and v2.0 of the SAS Consolidated Security Requirements, with the following scope:

Generation of data for UICC personalisation:

Within audit scope (all form factor UICCs)

UICC personalisation:

Not carried out at this site

Processing of data for subscription management:

Within audit scope (all form factor UICCs)

Value-added fulfilment of UICCs:

Not carried out at this site

Outsourcing:

No activities are outsourced for this site

These activities were outsourced and not subject to review by the auditors

Exclusions:

There are no exclusions for this site.

These activities were excluded from the scope of the audit

The auditors were provided with appropriate evidence that the processes and controls on the audit dates were consistent with those required by the SAS-UP Standard.

For and on behalf of FML
(James Messham)

For and on behalf of ChaseWaterford
(Max Kennett)

SAS certification is awarded based on an assessment by the audit team that the site met the requirements of the SAS Standard during the audit, and that it demonstrated an ability and intent to sustain compliance during the certification period. Continued site compliance with the SAS Standard during the certification period, including the implementation of SAS-compliant controls following any changes to the certified environment, is the responsibility of the site. This certificate cannot guarantee that the above organisation is invulnerable to attack or breaches of security. GSMA, FML and ChaseWaterford exclude all liability for loss or damage of any description caused by any failure or breach of the above organisation's security save as may be required by law.
