

Dear members,

**Asia Pacific 5G Industry Community (APAC5GIC)** have hosted the first Healthcare Industry interest group workshop **'How 5G and IoT tech will transform healthcare'**. NHS, Vodafone and Deloitte shared how technology and policy shape the health sector in Europe. Innovators presented the unprecedented contact free health monitoring, unmanned pharmacy that not only give patients better outcomes but also save the medical resources. APAC ecosystem panel with government agency debated the trend, challenges and opportunities in coronavirus pandemic era.

In Indonesia, **Telkom, Telkomsel, and Jababeka** collaborate to develop Jababeka Digitalized Township Ecosystem through the implementation of 5G technology. In Thailand, **Siriraj Hospital, NBTC and Huawei** innovative solution "5G + F5G + Cloud Powered Smart Healthcare Innovation for COVID-19" is shortlisted for the final top 5 of GLOMO Awards. In Philippines, **Globe Business** partners with **Ayala Property Management Corp for IoT Solutions**. Read details in the spotlight session.

Next, APAC5GIC will run the Manufacturing interest group workshop **'Leading Indonesia and AESAN towards Industry 4.0 through Data-Driven Approach'**.

Register [here](#). Topics include:

- Manufacturing focus towards Industry 4.0 in Indonesia
- How MEC, Private and Public network empower Industry 4.0
- How 5G and IoT tech will transform manufacturing with pioneer examples
- Panel discussion on how we can accelerate digital transformation with policy, technology, ecosystem and partnership

**Start:** Thursday 17 March 2022  
15:00

**End:** Thursday 17 March 2022 17:00

**Venue:** Online (GMT+8)

## APAC 5G Industry Community spotlight

Digitalization in healthcare services has been promulgated by the World Health Organization (WHO) since 2005 as a strategy to promote more equitable, affordable and universal access to healthcare. More than 120 countries have developed policies to support the development of digital healthcare. With the impact of covid-19 and burden of aging population, how 5G & IoT are transforming the healthcare in a new horizon? Click [here](#) to learn from the **global thought leaders and APAC experts**.

**How 5G and IoT tech will transform healthcare**  
Thursday, 17 Feb 2022  
15:00 - 17:00 GMT+8

**Speakers:**

- Helena Lisachuk**  
Vodafone Centre for Health with Deloitte, Deloitte Lead
- Terence Wong**  
Market Development Director, Head of APAC 5G Industry & IoT Community, APAC, GSMA
- Hudson Lee**  
Founder, IMEUS
- Professor Torin Fung**  
Founder and CEO, Leapflash Technology Ltd.
- James Lai**  
Chairman, Malaysia IoT Association
- Jesse Chooi**  
Senior Manager, Digital Industry Cluster, Digital Industry Development, MDEC
- Brian Bong**  
Co-founder and CEO, SmartOptix P.L.T
- Viva Shaik**  
Assistant Director, UCreast
- Professor Shafi Ahmed**  
Vodafone UK Connected Health Ambassador, Member of the NHS Assembly
- Katrina Lowes**  
Head of Vodafone Centre for Health with Deloitte, Vodafone Business
- Sam Yang**  
CEO, Xanlar Kardin

**[Contributor Member Spotlight – Realize digitalization in the Jababeka Area, Telkom, Telkomsel, and Jababeka implement 5G for digitalized township ecosystem](#)**

**Contributor Member Spotlight – GLOMO Awards Top 5 Shortlisted - Faculty of Medicine Siriraj Hospital, NBTC and Huawei for “5G + F5G + Cloud Powered Smart Healthcare Innovation in Thailand for COVID-19”**

**Contributor Member Spotlight – Ayala Property Management Corp Partners with Globe Business for IoT Solutions**
