

Building Global Success through Collaborations

Richard Cockle
Global Head of IoT, Identity and Big Data
GSMA

Who is The GSMA?

THE GSMA
WAS FOUNDED IN
1987

14 OFFICES
WORLDWIDE

SHANGHAI

SAN FRANCISCO

BEIJING

SAO PAULO

NAIROBI

NEW DELHI

LONDON

DUBAI

ATLANTA

BRUSSELS

BARCELONA

HONG KONG

BUENOS AIRES

Connecting Everyone and
Everything to a #BetterFuture

The mobile industry is the
first to formally commit
to the UN Sustainable
Development Goals

The GSMA
represents
the interests
of mobile
operators
worldwide

MORE
THAN
750
MOBILE
OPERATORS

WITH OVER
350
COMPANIES
in the broader mobile ecosystem

The world's leading mobile industry events,
Mobile World Congress and Mobile World
Congress Shanghai, together attract nearly

200,000

people from across the globe each year

The GSMA works to deliver a regulatory environment
that creates value for consumers by engaging
regularly with:

MINISTRIES
OF TELECOMS

TELECOMS
REGULATORY
AUTHORITIES

INTERNATIONAL &
NON-GOVERNMENTAL
ORGANISATIONS

CONNECTING
23,000+
Industry Experts

Exclusively for GSMA Members,
InfoCentre² is your place to
connect with a global
community of industry experts

GSMA Working Groups
and programmes
provide frameworks and
standards in commercial,
operational and
technical matters that help
maintain and advance
mobile industry ecosystems

8.7 bn+

MOBILE CONNECTIONS
WORLDWIDE

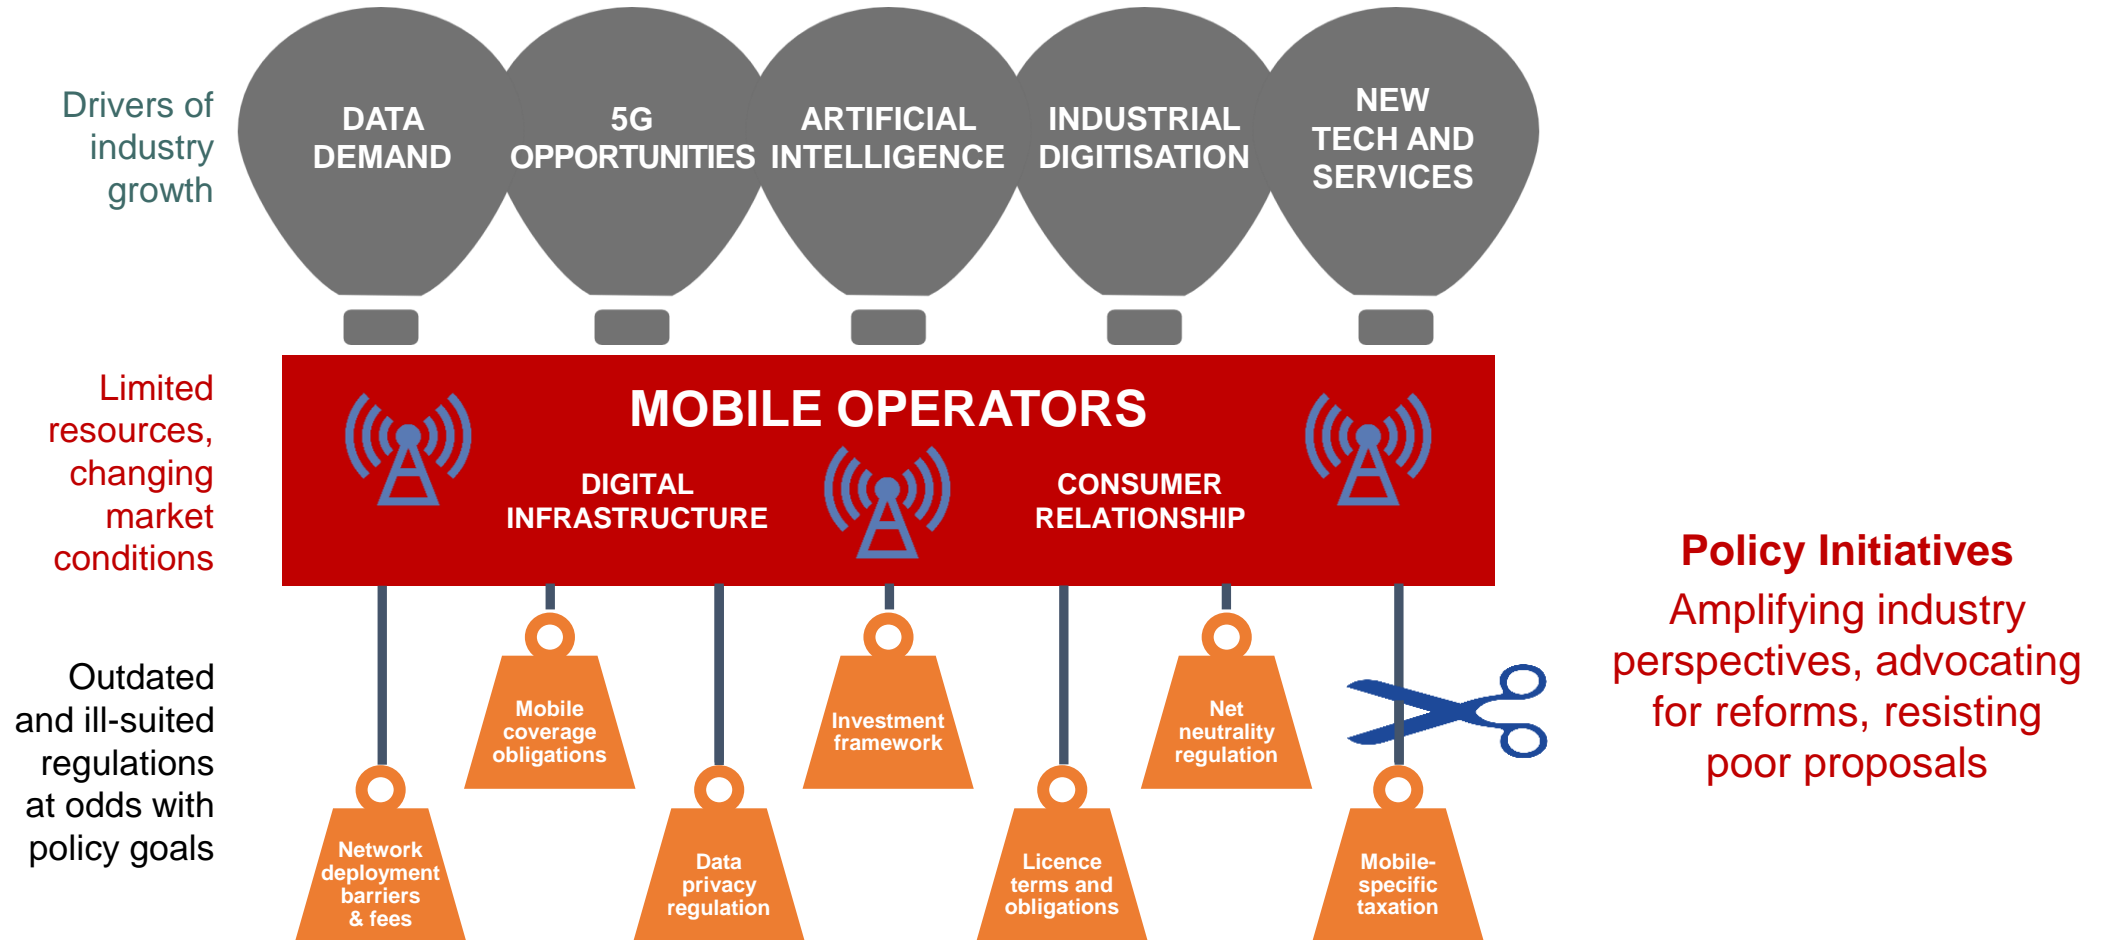

The GSMA Board

Our Board comprises 25 members who represent the largest operator groups, as well as smaller independent operators with global reach.

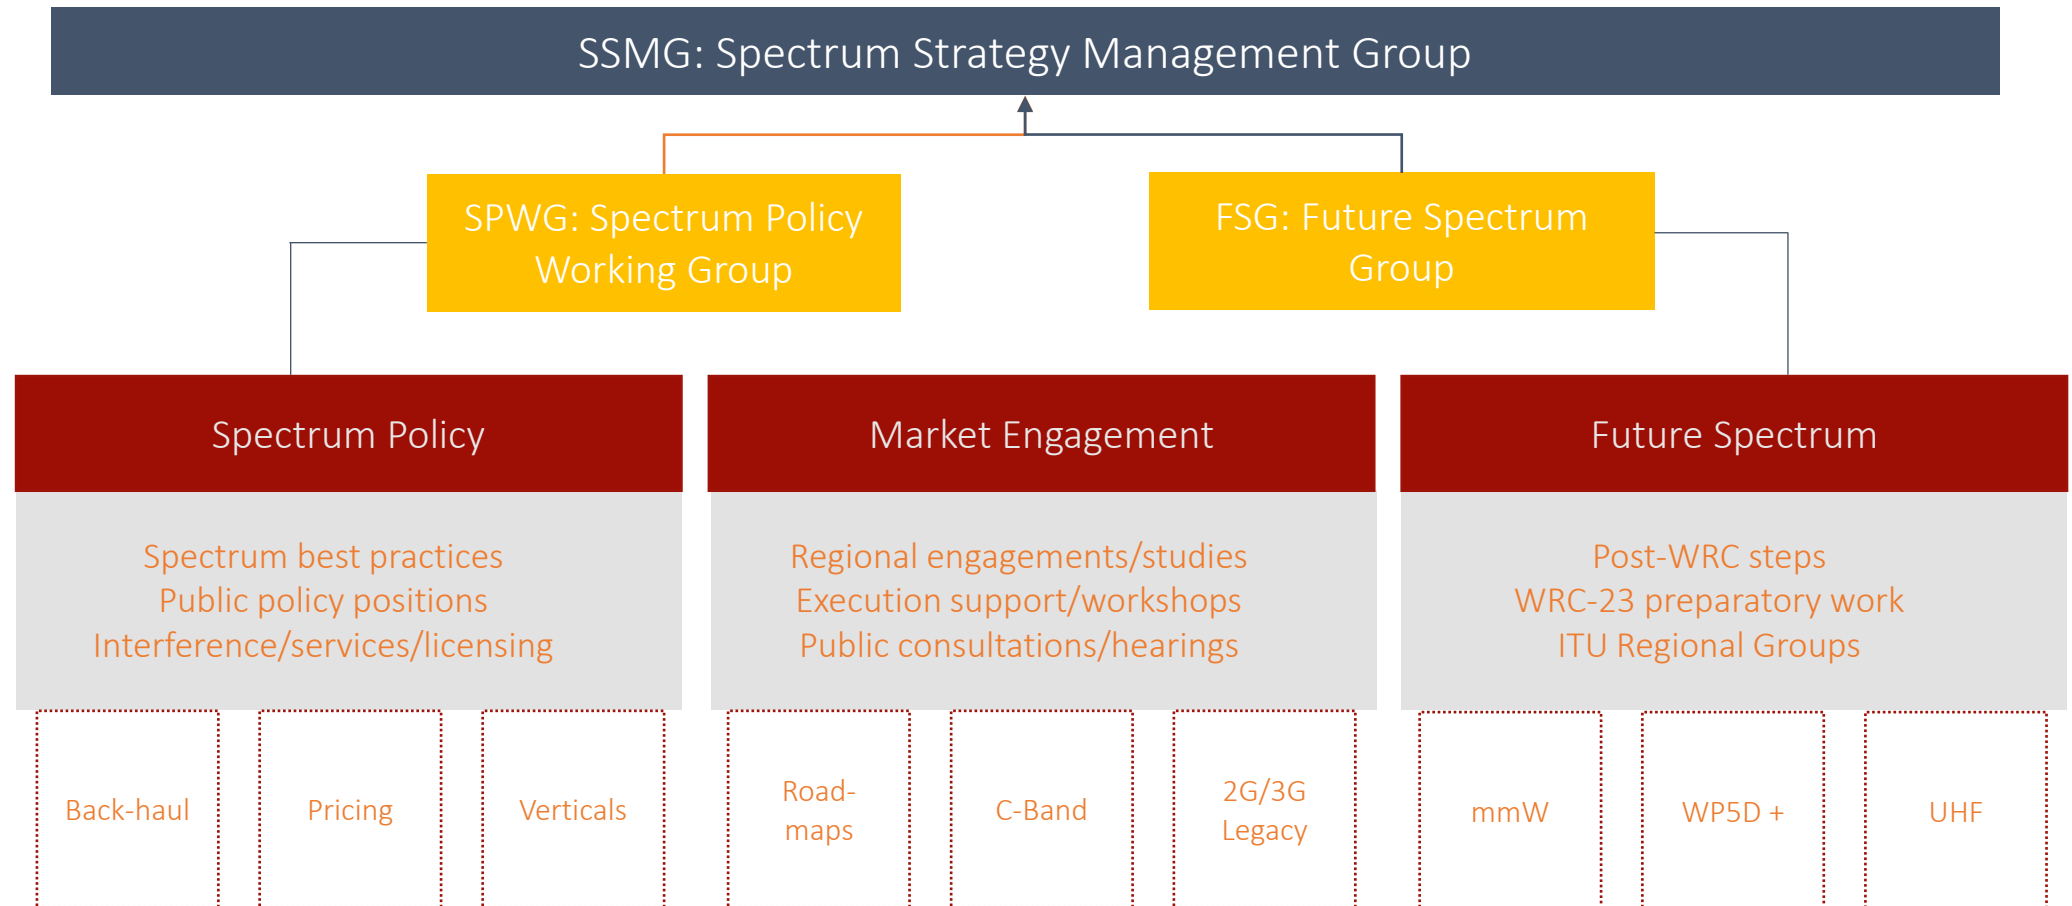

GSMA Global Policy Initiatives

GSMA Spectrum Overview

GSMA Supports World First in Asia-Pacific for Digital Innovation

12 November 2019

New 'Regulatory Pilot Space' to Stimulate Economic Activity from Cross Border Data Flows

<https://www.gsma.com/newsroom/press-release/gsma-supports-world-first-in-asia-pacific-for-digital-innovation>

The Beginning of the Mobile IoT...

14 July 2015

MWC Shanghai

LTE-MTC

Enhanced GSM

NB-CIoT

33 Supporting Organisations

Some of them were:

One of the fastest standards and specifications deployed through 3GPP

GSMA Key Technology Initiatives - Overview

denotes a new era in which connectivity will become increasingly fluid and flexible and adapts to applications and performance tailored precisely to the needs of the user.

a global specification by the GSMA which enables remote SIM provisioning of any mobile device.

Using Mobile Connect to support digital identity through authentication, authorisation and verification

Mobile IoT

3GPP standardised secure operator managed IoT Networks, in particular Low Power Wide Area Network (LPWAN)

IoT SAFE

IoT SIM Applet For Secure End-2-End Communication

Partnered with

enables IoT device manufacturers and IoT service providers to leverage the SIM as a robust, scalable and standardised hardware Root of Trust to protect IoT data communications.

GSMA Key Technology Initiatives - Achievements

79 commercial 5G launches

7% Population Penetration

20%, as many as **1.2 Billion** Global Connections by **2025**

International spectrum treaty for 5G adopted by the World Radiocommunication Conference 2019 (WRC-19)¹

As of June 2020

Mobile IoT

131 launched networks globally

NB-IoT exceeds **100 million** connections (May 2020)²

Roaming development through WAS

130+ major industry players support the initiative

Already adopted by **Apple** and **Samsung** in consumer devices

Launched since 2014 by more than **70** operators around the world, reaching over 4 million end users

IoT SAFE

IoT **S**IM **A**pplet **F**or Secure **E**nd-2-End Communication

Supported by **58** partners

28 MNOs

16 vendors

12 security companies

2 other companies (e.g. data analytics providers)

¹ Nov 2019 - <https://www.gsma.com/newsroom/press-release/gsma-wrc-19-opens-door-to-exciting-new-5g-services/>

GSMA Transformation – Strategic Alignment

GSMA Strategic Themes

Enterprise &
Verticals

Identity & Data
Management

Networks
(5G, Infrastructure,
Security & Trust)

Digital Inclusion
& Climate

Vertical Markets

Providing customer focus to deliver value and opportunity

Automotive

Aviation

Financial Services

Health

Manufacturing

Tower & Fibre

Core Business Activities

Forums & Working Groups to provide industry engagement and key resources

GSMA IoT Regional Engagement – Asia-Pacific

40 Mobile IoT networks launched in Asia-Pacific
by
29 Mobile Network Operators

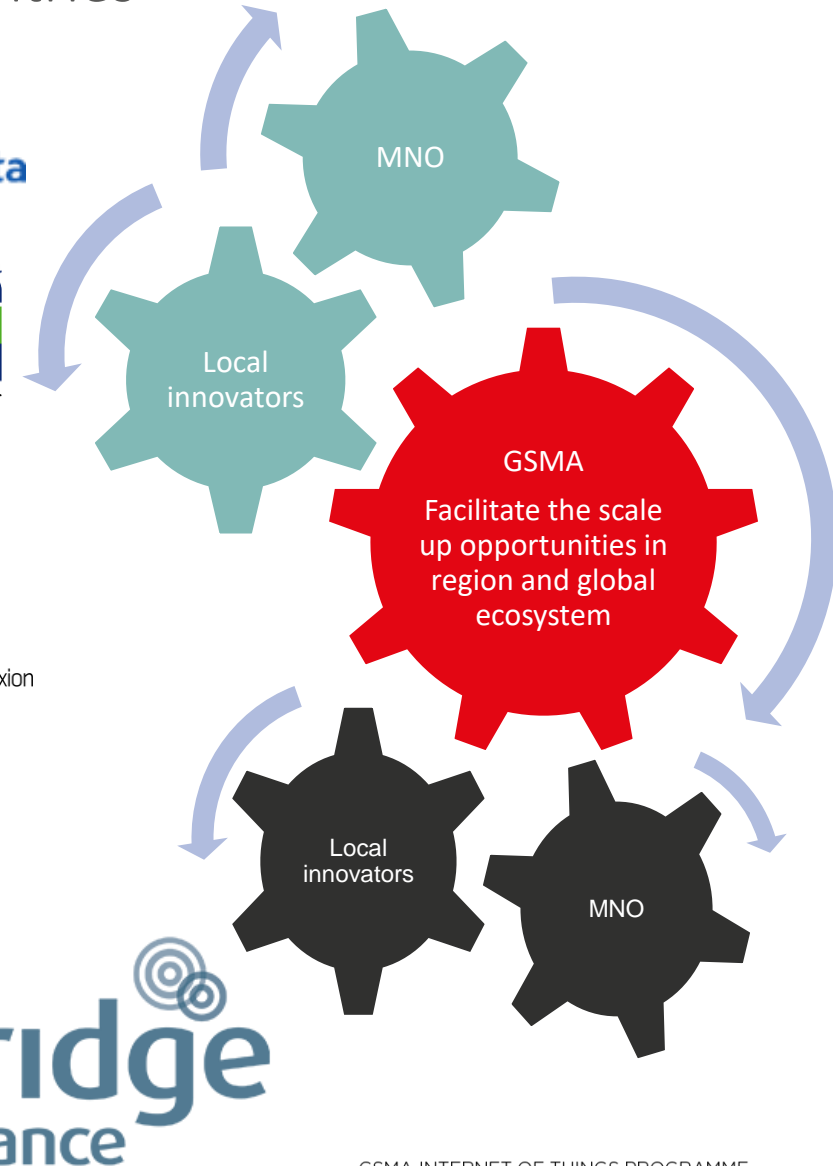

By Channa Seneviratne June 3, 2020

APAC IoT Partnership Programme

Largest APAC IoT community with 39 MNOs in 20 countries

GSMA IoT Regional Engagement – APAC Events

Kuala Lumpur 24-26 Sept 2019

APAC IoT Innovation Summit

Connected APAC – IoT Expo

- 35 industry expert speakers from 29 companies in 12 countries
- Full-day contents covered 9 verticals: agriculture, aviation, healthcare, logistics, manufacturing, smart home, smart city and utility
- Key topics: 5G, AI, Big Data, Blockchain, C-V2X, Edge & NB-IoT

- 12 demonstrations from 6 countries facilitated by 8 mobile operators
- Live 4G LTE and NB-IoT connectivity sponsored by **maxis**
- Covered contents in 8 industry verticals: Agriculture, Aviation, Smart Health, Smart Home, Logistics, Smart City, Manufacturing and Utility

26-28 June 2019 • 2019年6月26-28日

- Over 70,000 visitors
- Future IoT Convention: 700+ Attendees with 17 Speakers from 14 Companies
- Approximately 18,000 delegates visited the GSMA Innovation City (Hall N5)
- VIPs & ministers visits including, Beijing Winter Olympics 2020, GSMA APAC IoT Partnership Programmes, IoT Topics Tours, etc.

5G All-in-One Environmental Monitoring

The 4th Dimension of Space

Fragmentation that We Can Solve Through Collaborations

1

Common Regulatory Framework – *align on common issues like Permanent Roaming, Taxation, Data Privacy and X-border use*

2

Knowing the Customer Needs – *stopping the develop bespoke, expensive solutions being built by better understanding throughout vertical groups*

3

Network Release and Device Certification Harmonisation – *through our operator strategy groups*

4

Coverage and Roaming – *align on common network setting and billing processes through our WAS group*

Thank You!
