<b>Subscription Management – Discovery Service</b>	Out of scope		

**Notes & Exclusions:** The management of network security and some production systems at Gemalto, Shanghai is carried out as part of the corporate MSC environment (supporting sites specified above). The certification of Gemalto Shanghai will be dependent on Gemalto continuing to demonstrate SAS-SM compliance of these activities through future renewal audits at corporate level. The SOC team which is located in Poland Tczew is responsible to review firewall logs and handle IDS alerts.

**For and on behalf of NCC Group**  
(Kent Quinlan)

**For and on behalf of SRC GmbH**  
(Tom Schubert)

SAS certification is awarded based on an assessment by the audit team that the site met the requirements of the SAS Standard during the audit, and that it demonstrated an ability and intent to sustain compliance during the certification period. Continued site compliance with the SAS Standard during the certification period, including the implementation of SAS-compliant controls following any changes to the certified environment, is the responsibility of the site. This certificate cannot guarantee that the above organisation is invulnerable to attack or breaches of security. GSMA, NCC Group and SRC GmbH exclude all liability for loss or damage of any description caused by any failure or breach of the above organisation's security save as may be required by law.
