# Temporary Extension Certificate

This Temporary Extension Certificate extends the existing GSMA SAS Certificate GO-TW-UP-1220-2 (“Certificate”) of the GSM Association Security Accreditation Scheme for UICC Production (SAS-UP) which confirms that:

**Thales DIS Sp. z o.o., Tczew, Poland**

has participated in the SAS-UP and satisfied the requirements at the time for the Certificate.

This Temporary Extension Certificate is subject to the terms and conditions on page 3 below and remains valid until the end of June 2021\*.

Chief Technology Officer  
GSMA

\* Dependent on continued supporting site certification (extended to end February 2021)

Security Accreditation  
Scheme

# Scope of Certification

To be viewed as part of Security Accreditation Scheme Certificate No: GO-TW-UP-1220-2

**Production Site:** Thales DIS Sp. z o.o.

**Site Address:** Skarszewska 2, Tczew 83-110, Poland

**Supporting site(s) details:** Type: Centralised IT. Thales DIS, 525 avenue du Pic de Bertagne CS 12023, Gemenos Cedex 13881, France, Thales DIS, Southern Luzon International Business Park, Calamba, Laguna 4027, Philippines. Expiry date: February 2021

The auditors were provided with appropriate evidence that the processes and controls on the audit dates were consistent with those required by the SAS-UP Standard v9.0 and the SAS Consolidated Security Requirements v6.0, with the following scope:

<b>Generation of data for personalisation:</b>	UICC	<b>Personalisation:</b>	Card
<b>Management of PKI certificates:</b>	Not carried out at this site	<b>Post-personalisation packaging:</b>	Not carried out at this site

**Notes & Exclusions:** The management of network security and some production systems at Thales DIS Sp. z o.o., Tczew is carried out as part of the corporate MSC environment (supporting sites specified above). The certification of Thales DIS Sp. z o.o., Tczew will be dependent on Thales continuing to demonstrate SAS-UP compliance of these activities through future renewal audits at corporate level. Due to Covid-19, the certification of Thales DIS corporate sites at Gemenos & Calamba have been temporarily extended to **February 2021**, subject to the Terms & Conditions on page 3. Certification covers the site management of the exchange of encryption keys with customers and Thales production sites, and for personalisation of BAP test cards for testing internally and by customers using data generated on-site. The site does not carry out mass-production of UICCs and has not been audited and certified for this activity.

## Terms and Conditions of Temporary Extension

The following terms and conditions apply to the Temporary Extension Certificate:

1. This Temporary Extension Certificate is only valid for a period of 6 months. It cannot be extended. Any subsequent extension of the Certificate is at the sole discretion of the GSMA and requires a new temporary extension certificate issued by the GSMA.
2. The Temporary Extension is subject to the:
  - (i) SAS-UP Services Agreement between the GSMA and the Auditee (as amended);
  - (ii) FS.05 GSMA Security Accreditation Scheme for UICC Production - Methodology;
  - (iii) GSMA SAS Covid-19 Auditing and Certification Policy;
  - (iv) FS.05C19 SAS-UP Covid-19 Methodology Variations;  
in force at the time.
3. The GSMA shall not be liable for any third party reliance on or claim in relation to the Temporary Extension Certificate and/or any associated matter. In the case of any alleged third party reliance on or claim against the Temporary Extension Certificate and/or any associated matter, the Auditee will fully and finally settle such matter (irrespective if brought against the Auditee or the GSMA and/or its Auditing Companies) from its own funds without any recourse to the GSMA or Auditing Companies.
4. The Temporary Extension is subject to:
  - (i) a satisfactory result of a Temporary Extension Assessment (TEA) as set out in the document FS.05C19 SAS-UP Covid-19 Methodology Variations in force at the time;
  - (ii) full and prompt payment of any Fees incurred for the TEA, as set out in Annex A of the SAS-UP Service Agreement, subject to the provisions in FS.05C19 SAS-UP Covid-19 Methodology Variations in force at the time. Payment must be received in full prior to the GSMA issuing the Temporary Extension Certificate.
5. The Auditee agrees to maintain its SAS-compliant controls during the period of the Temporary Extension Certificate at the primary certified site and any supporting sites identified on page two of this Temporary Extension Certificate.
6. While holding the Temporary Extension Certificate, the Auditee agrees to:
  - (i) notify GSMA of any major change to its SAS-UP certified controls or any known non-compliance with the SAS requirements at the aforesaid site(s);
  - (ii) at the request of the GSMA or appointed auditors, provide evidence (documents, photos, video, etc.) of compliance with SAS-UP requirements for remote review and assessment by any GSMA appointed auditors to validate continued SAS-UP compliance or remediation of non-compliances;
  - (iii) participate in associated conference calls with the GSMA appointed auditors and/or GSMA to support above reviews and validations.

The GSMA may withdraw the Temporary Extension Certificate if non-compliances with the SAS-UP are found and not remediated within such period as specified by the GSMA.
