Scope of Certification

To be viewed as part of Security Accreditation Scheme Certificate No: CD-DN-UP-0223

Production Site: Chutian Dragon Co., Ltd.

Site Address: Zhuweitian, Yifa Industrial Zone of Fenggang, Dongguan, Guangdong, 523679 P.R. China

Supporting site(s) details:

The auditors were provided with appropriate evidence that the processes and controls on the audit dates were consistent with those required by the SAS-UP Standard v9.0 and the SAS Consolidated Security Requirements v6.0, with the following scope:

Generation of data for personalisation:	UICC	Personalisation:	Card
Management of PKI certificates:	Not carried out at this site	Post-personalisation packaging:	Card

Notes & Exclusions: Chutian Dragon was in the process of commissioning an embedded form-factor UICC personalisation workshop at the time of the August 2020 TEA. These activities have not been included within any SAS-UP audit process at the site and are outside of the current scope of the site's certification. Due to the Covid-19 pandemic travel restrictions the latest audit was performed remotely in accordance with the GSMA SAS Covid-19 Audit and Certification Policy. An assessment of compliance with requirements that could not be audited fully remotely will need to be performed as part of a follow-up physical audit after Covid-19 related disruption to on-site SAS audits has ended.
