Security Accreditation
Scheme

Scope of Certification

To be viewed as part of Security Accreditation Scheme Certificate No: GD-NT-UP-0723

Production Site: Giesecke+Devrient Secure Data Management GmbH

Site Address: Austraße 101b, Neustadt bei Coburg, Bavaria, 96465, Germany

Supporting site(s) details: Type: Firewall Management. Giesecke+Devrient Mobile Security GmbH, Prinzregentenstrasse 159, Munich, 81607, Germany

The auditors were provided with appropriate evidence that the processes and controls on the audit dates were consistent with those required by the SAS-UP Standard v9.0 and the SAS Consolidated Security Requirements v6.0, with the following scope:

Generation of data for personalisation:	UICC	Personalisation:	Card
Management of PKI certificates:	Not carried out at this site	Post-personalisation packaging:	Card

Notes & Exclusions: Due to the Covid-19 pandemic travel restrictions the audit was performed remotely in accordance with the GSMA SAS Covid-19 Audit and Certification Policy. An assessment of compliance with requirements that could not be audited fully remotely will need to be performed as part of a follow-up physical audit after Covid-19 related disruption to on-site SAS audits has ended. Due to Covid-19 restrictions, the site is temporarily managing firewall systems from G+D Munich to maintain business continuity. Interested parties are invited to contact the site directly for more details.
