The auditors were provided with appropriate evidence that the processes and controls on the audit dates were consistent with those required by the SAS-SM Standard v3.0 and the SAS Consolidated Security Requirements v8.0, with the following scope:

Subscription Management – Data Preparation:	Within audit scope for local and cloud hosting	Subscription Management – Secure Routing:	Within audit scope for local and cloud hosting
Data Centre Operations and Management	Within audit scope	Subscription Management – Data Preparation+:	Within audit scope for local and cloud hosting
Subscription Management – Discovery Service	Out of scope		

Notes & Exclusions: Due to the Covid-19 pandemic travel restrictions the audit was performed remotely in accordance with the GSMA SAS Covid-19 Audit and Certification Policy. An assessment of compliance with requirements that could not be audited fully remotely will need to be performed as part of a follow-up physical audit after Covid-19 related disruption to on-site SAS audits has ended.
