Certificate No: NP-TN-UP-0423T

Temporary Extension Certificate

This Temporary Extension Certificate extends the existing GSMA SAS Provisional Certificate NP-TN-UP-1022 (“Certificate”) of the GSM Association Security Accreditation Scheme for UICC Production (SAS-UP) which confirms that:

NXP Semiconductors (Tianjin) Ltd., Tianjin, China

has participated in the SAS-UP and satisfied the requirements at the time for the Certificate.

This Temporary Extension Certificate is subject to the terms and conditions on page 3 below and remains valid until the end of April 2023*.

Chief Technology Officer
GSMA

* Dependent on continued supporting site certification (extended to end April 2023)

Security Accreditation
Scheme

Scope of Provisional Certification

To be viewed as part of Security Accreditation Scheme Certificate No: NP-TN-UP-1022

Production Site: NXP Semiconductors (Tianjin) Ltd.

Site Address: No 15, Xing Hua Ave, Xiqing Economic Develop Area, Xiqing, Tianjin 300385

Type: Warehousing of Class 1 product. NXP Semiconductors (Tianjin) Ltd., No 16, Wei 2 Road Microelectronic Development Area, Tianjin, Xiqing, 300385, China. Expiry date: April 2023

Supporting site(s) details:

Type: Management of HSMs & data generation systems. NXP Semiconductors Germany GmbH, Troplowitzstrasse 20, Hamburg, 22529, Germany. Expiry date: October 2023

Type: Destruction of reject wafers. NXP Semiconductors Taiwan Ltd., 10 Chin 5th Road, N.E.P.Z., Kaohsiung, 81170, Taiwan. Expiry date: October 2023

The auditors were provided with appropriate evidence that the processes and controls on the audit dates were consistent with those required by the SAS-UP Standard v9.0 and the SAS Consolidated Security Requirements v7.1, with the following scope:

Generation of data for personalisation:	eUICC	Personalisation:	Wafer
Management of PKI certificates:	GSMA PKI Ready	Post-personalisation packaging:	Not carried out at this site

Notes & Exclusions: Due to the Covid-19 pandemic travel restrictions the audit was performed remotely in accordance with the GSMA SAS Covid-19 Audit and Certification Policy. An assessment of compliance with requirements that could not be audited fully remotely will need to be performed as part of a follow-up physical audit after Covid-19 related disruption to on-site SAS audits has ended.

Terms and Conditions of Temporary Extension

The following terms and conditions apply to the Temporary Extension Certificate:

1. This Temporary Extension Certificate is only valid for a period of 6 months. It cannot be extended. Any subsequent extension of the Certificate is at the sole discretion of the GSMA and requires a new temporary extension certificate issued by the GSMA.
2. The Temporary Extension is subject to the:
 - (i) SAS-UP Services Agreement between the GSMA and the Auditee (as amended);
 - (ii) FS.05 GSMA Security Accreditation Scheme for UICC Production - Methodology;
 - (iii) GSMA SAS Covid-19 Auditing and Certification Policy;
 - (iv) FS.05C19 SAS-UP Covid-19 Methodology Variations;
in force at the time.
3. The GSMA shall not be liable for any third party reliance on or claim in relation to the Temporary Extension Certificate and/or any associated matter. In the case of any alleged third party reliance on or claim against the Temporary Extension Certificate and/or any associated matter, the Auditee will fully and finally settle such matter (irrespective if brought against the Auditee or the GSMA and/or its Auditing Companies) from its own funds without any recourse to the GSMA or Auditing Companies.
4. The Temporary Extension is subject to:
 - (i) a satisfactory result of a Temporary Extension Assessment (TEA) as set out in the document FS.05C19 SAS-UP Covid-19 Methodology Variations in force at the time;
 - (ii) full and prompt payment of any Fees incurred for the TEA, as set out in Annex A of the SAS-UP Service Agreement, subject to the provisions in FS.05C19 SAS-UP Covid-19 Methodology Variations in force at the time. Payment must be received in full prior to the GSMA issuing the Temporary Extension Certificate.
5. The Auditee agrees to maintain its SAS-compliant controls during the period of the Temporary Extension Certificate at the primary certified site and any supporting sites identified on page two of this Temporary Extension Certificate.
6. While holding the Temporary Extension Certificate, the Auditee agrees to:
 - (i) notify GSMA of any major change to its SAS-UP certified controls or any known non-compliance with the SAS requirements at the aforesaid site(s);
 - (ii) at the request of the GSMA or appointed auditors, provide evidence (documents, photos, video, etc.) of compliance with SAS-UP requirements for remote review and assessment by any GSMA appointed auditors to validate continued SAS-UP compliance or remediation of non-compliances;
 - (iii) participate in associated conference calls with the GSMA appointed auditors and/or GSMA to support above reviews and validations.

The GSMA may withdraw the Temporary Extension Certificate if non-compliances with the SAS-UP are found and not remediated within such period as specified by the GSMA.
