

Security Accreditation
Scheme

Accredited
Supplier

Certificate No: SL-TA-UP-1223

Certificate

This is to certify that

Sintel Security Print Solutions Limited, Thika, Kenya

has participated in the GSM Association Security Accreditation Scheme for
UICC Production (SAS-UP) and satisfied the scheme's requirements.

This certificate remains valid until the end of December 2023.

Alex Sinclair
Chief Technology Officer
GSMA

Scope of Certification

To be viewed as part of Security Accreditation Scheme Certificate No: SL-TA-UP-1223

Production Site: Sintel Security Print Solutions Limited

Site Address: Factory Road, Thika, 01000, Kenya

Supporting site(s) details: Not applicable

The auditors were provided with appropriate evidence that the processes and controls on the audit dates were consistent with those required by the SAS-UP Standard v9.1 and the SAS Consolidated Security Requirements v8.1, with the following scope:

Generation of data for personalisation:	Not carried out at this site	Personalisation:	Card
Management of PKI certificates:	Not carried out at this site	Post-personalisation packaging:	Card

Notes & Exclusions: Sintel Thika conducts personalisation using production files generated on its behalf by two technology partners. Although encryption keys are used to protect sensitive information in files of production data and in customer response files, Sintel Thika does not participate in the management of these keys. All key management activities are carried out on Sintel Thika's behalf by its technology partners. Sintel Thika has not demonstrated any processes or controls for key management as part of the SAS-UP certification process.
