AVOID SCAMS ONLINE

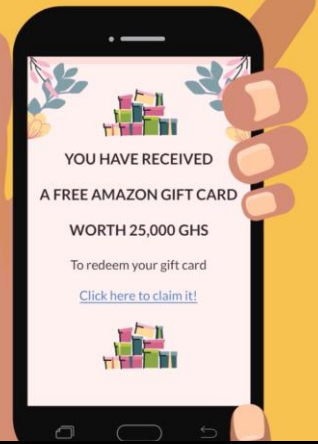

How can I avoid scams when using the internet?

1

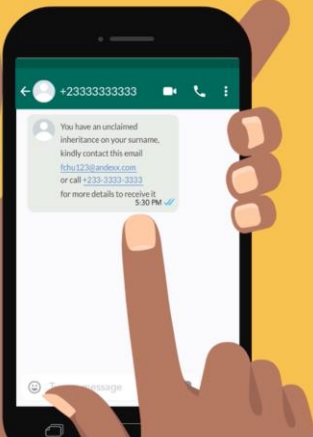

Common scams involve winning lots of money.

2

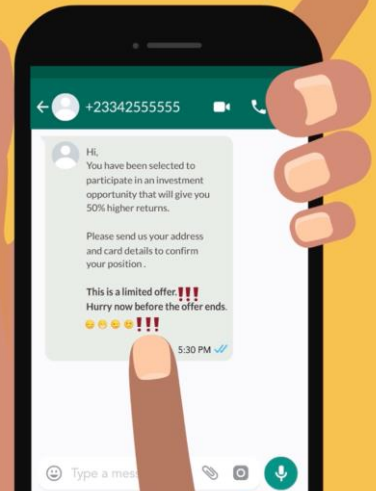

Shopping deals or job offers can also be scams.

3

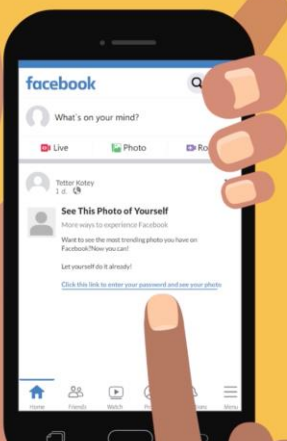

These scams trick you to send money to be able to get money.

4

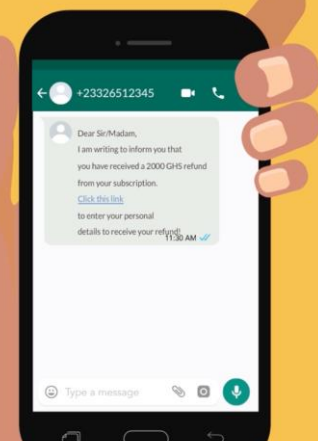

They often try to rush you. Always take your time.

5

Other scams try to get you to give up personal information.

6

Always be careful when clicking on unknown links.
