Plans ahead

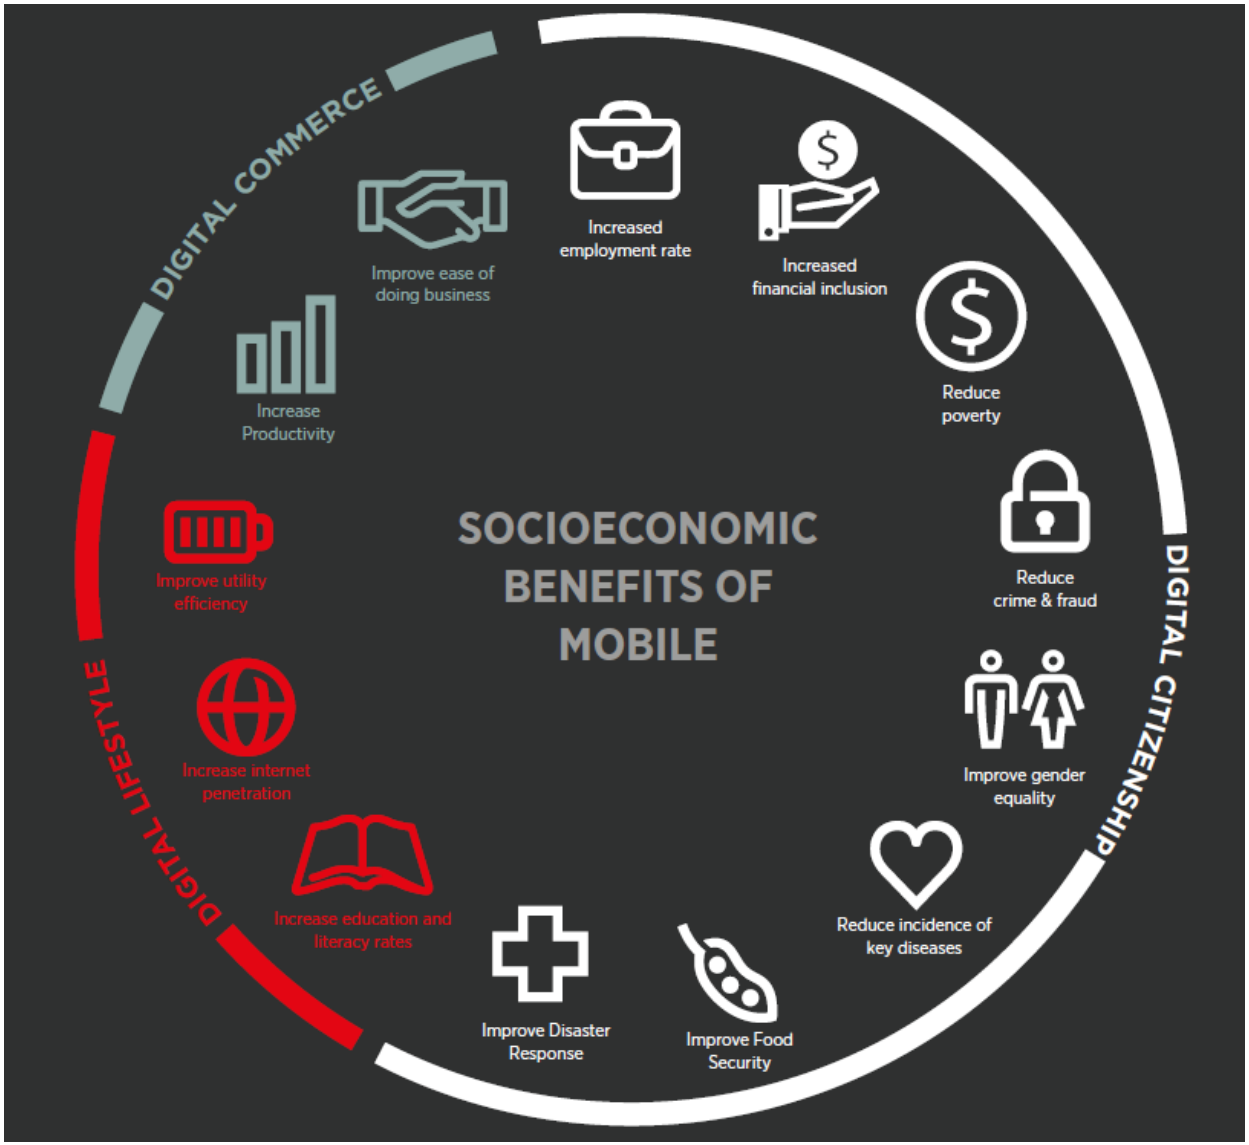

ACTION PLAN

National broadband plan with the following key timelines and action plans:

Year	Internet pen	Broadband pen
2015	40%	10%
2018	70%	35%
2021	100%	50%

- Streamline licensing regime: adopt technology-neutral spectrum licensing and allocate 700MHz band for 4G LTE
- Deploy mobile broadband in underserved areas using social obligation fund (SOF) to address availability and affordability issues
- Encourage passive and active infrastructure sharing
- Harmonize ICT policies with other verticals – education, health, taxation etc

Socioeconomic benefits

National impact
