Article 3 (Inclusion in National Land Planning)

Where the Special Metropolitan City Mayor, a Metropolitan City Mayor, the Mayor of a Special Self-Governing City, a Do Governor, the Governor of a Special Self-Governing Province, the head of a Si or a Gun formulates a comprehensive Do plan or a comprehensive Si/Gun plan pursuant to the Framework Act on the National Land, he/she shall reflect a plan for installation of waste disposal facilities for disposal of waste produced from the relevant local government in such comprehensive plan as prescribed by Presidential Decree. <Amended by Act No. 12077, Aug. 13, 2013>

[This Article Wholly Amended by Act No. 8810, Dec. 27, 2007]

Article 4 (Inclusion in Urban or Gun Master Plan)

Where the Special Metropolitan City Mayor, a Metropolitan City Mayor, the Mayor of a Special Self-Governing City, the Governor of a Special Self-Governing Province, or the head of a Si/Gun formulates an Si or Gun master plan pursuant to Article 18 of the National Land Planning and Utilization Act, he/she shall include a comprehensive Do plan under Article 3, a multi-districts development plan under Article 5 of the Balanced Regional Development and Support for Local Small and Medium Enterprises Act, and a plan for installation of waste disposal facilities included in a master plan for waste control under Article 9 of the Wastes Control Act, by putting them together in such urban or Gun master plan. <Amended by Act No. 12077, Aug. 13, 2013>

[This Article Wholly Amended by Act No. 8810, Dec. 27, 2007]

Article 5 (Installation and Operation of Waste Disposal Facilities in Accordance with Development of Industrial Complex, etc.)

(1) A person who intends to develop, install, or enlarge any of the following industrial complex or factory shall directly install and operate waste disposal

facilities prescribed by Presidential Decree for disposal of waste produced from such industrial complex, etc. or have another person install and operate such facilities: <Amended by Act No. 13170, Feb. 3, 2015>

1. Which discharges waste exceeding the amount prescribed by Presidential Decree;
2. Which exceeds the scale prescribed by Presidential Decree;
3. Deleted. <by Act No. 13170, Feb. 3, 2015>

(2) A person who intends to develop, install, or enlarge a tourist resort or a tourist complex that fulfills all the following requirements (referring to a tourist resort or a tourist complex under the Tourism Promotion Act; hereinafter the same shall apply) shall directly install and operate waste disposal facilities prescribed by Presidential Decree for disposal of waste produced from such tourist resort or tourist complex or have another person install and operate such facilities: Provided, That where the amount of waste discharged does not exceed the amount prescribed by Presidential Decree, he/she shall pay the amount of money corresponding to the expenses for installation of waste disposal facilities to the Mayor of a Special Self-Governing City, the Governor of a Special Self-Governing Province, the head of a Si/Gun or the head of a Gu (referring to the head of an autonomous Gu; hereinafter the same shall apply): <Newly Inserted by Act No. 13170, Feb. 3, 2015>

1. Which discharges waste exceeding the amount prescribed by Presidential Decree;
2. Which exceeds the scale prescribed by Presidential Decree.

(3) In cases falling under paragraphs (1) and (2), a person who intends to install waste disposal facilities in any place other than the relevant industrial complex, factory, tourist resort, or tourist complex due to unavoidable circumstances shall make an installation plan, as prescribed by Presidential Decree, to obtain approval from the Minister of Environment, the Special Metropolitan City Mayor, a Metropolitan City Mayor, the Mayor of a Special Self-Governing City, a Do Governor, or the Governor of a Special Self-Governing Province, according to the following distinction. The same shall also apply when modifying approved matters: <Amended by Act No. 12077, Aug. 13, 2013; Act No. 13170, Feb. 3, 2015>

1. Waste disposal facilities to be installed extending over the Special Metropolitan City, a Metropolitan City, a Special Self-Governing City, and a Do which are different from each other: The Minister of Environment;
2. Other waste disposal facilities: The Special Metropolitan City Mayor, a Metropolitan City Mayor, the Mayor of a Special Self-Governing City, a Do Governor, or the Governor of a Special Self-Governing Province, who has the jurisdiction over the area where the installation of waste disposal facilities is intended.

(4) Necessary matters concerning the method of calculating the amount to pay under the proviso to paragraph (2), the payment procedure therefor, etc. shall be prescribed by Presidential Decree. <Newly Inserted by Act No. 13170, Feb. 3, 2015>

[This Article Wholly Amended by Act No. 8810, Dec. 27, 2007]

Article 6 (Installation, etc. of Waste Disposal Facilities in Accordance with Housing Lot Development Project)

(1) A person who intends to develop an apartment complex or housing lots exceeding the scale prescribed by Presidential Decree shall install waste disposal facilities prescribed by Presidential Decree for disposal of waste produced from such apartment complex or housing lots, or pay an amount equivalent to the expenses for such installation to the Mayor of a Special Self-Governing City, the Governor of a Special Self-Governing Province, the head of a Si/Gun, or the head of a Gu, having jurisdiction over the relevant area. <Amended by Act No. 12077, Aug. 13, 2013; Act No. 13170, Feb. 3, 2015>

(2) The Mayor of a Special Self-Governing City, the Governor of a Special Self-Governing Province, and the head of a Si/Gun, or the head of a Gu shall use the amount received under paragraph (1) for the installation of waste disposal facilities for disposal of waste produced from the relevant apartment

complex or housing lots. <Amended by Act No. 12077, Aug. 13, 2013>

(3) If a person who is to pay an amount equivalent to the expenses for installation under paragraph (1) fails to pay such amount within the payment deadline, the Mayor of a Special Self-Governing City, the Governor of a Special Self-Governing Province, the head of a Si/Gun, or the head of a Gu shall collect such amount of money in the same manner as delinquent local taxes are collected. <Amended by Act No. 12077, Aug. 13, 2013>

(4) Matters necessary for the method of calculation of an amount of money to be paid, the procedure for payment, etc. under paragraph (1) shall be prescribed by Presidential Decree.

[This Article Wholly Amended by Act No. 8810, Dec. 27, 2007]

Article 7 (Securing Sites for Waste Disposal Facilities)

Any person who should install waste disposal facilities under Article 5 or Article 6 (1) shall take measures to include a plan for securing a site for such facilities in the plan for development, establishment, and enlargement of the industrial complex concerned in advance.

[This Article Wholly Amended by Act No. 8810, Dec. 27, 2007]

Article 8 (Graded Application of Fees for Waste Disposal)

The head of a local government operating waste disposal facilities may, when he/she collects fees for disposal of waste at such waste disposal facilities, collect additional dues for the waste brought from the areas other than Si/Gun or Gu (referring to autonomous Gu; hereinafter the same shall apply) where such waste disposal facilities are installed in addition to collecting such fees within the extent as prescribed by Municipal Ordinance of the local government concerned (referring to the articles of association in cases of the association of local government agencies incorporated under Article 159 of the Local Autonomy Act; hereinafter the same shall apply) prescribed by Presidential Decree.

CHAPTER II PROMOTION OF PROJECTS INSTALLING WASTE DISPOSAL FACILITIES

Article 9 (Selection of Locations of Waste Disposal Facilities)

(1) An agency installing waste disposal facilities shall, where it intends to install and operate waste disposal facilities, determine and publicly announce a plan for selection of such locations: Provided, That where it falls under any of the following subparagraphs, the same shall not apply:

1. Where it installs waste disposal facilities pursuant to Article 5;
2. In cases of installing waste disposal facilities pursuant to Article 6 (1), where the volume of waste to be brought from the areas other than the relevant apartment complex or housing lots and to be treated does not exceed 50/100 of the disposal capacity of such facilities.

(2) Matters under the following subparagraphs shall be included in a plan for selection of location under the main sentence of paragraph (1):

1. Types and volume of production of waste subject to disposal;
2. Areas subject to waste disposal;
3. Types and scale of waste disposal facilities;
4. Standards for and methods of selection of location.

(3) Where an agency installing waste disposal facilities has publicly announced a plan for selection of locations under paragraph (1), it shall, without delay, establish the Location Selection Committee (hereinafter referred to as the "Location Selection Committee") in which the representative of residents participate to select locations of the relevant waste disposal facilities as prescribed by Presidential Decree.

(4) When the Location Selection Committee selects a location pursuant to paragraph (3), it shall have the institution selected by the Location Selection Committee from among the specialized research institutions prescribed by Presidential Decree examine the appropriateness of the location of the site proposed in advance and shall consider such result of examination: Provided, That where the Location Selection Committee deems it unnecessary for

the specialized research institution to examine the appropriateness of the location of a proposed site, it may omit the examination or substitute a written opinion of examination by the related experts prescribed by Presidential Decree for the examination.

(5) The Location Selection Committee may, where a majority of the heads of households residing in the area prescribed by Presidential Decree desire the installation of waste disposal facilities in such areas pursuant to the plan for selection of a location under paragraph (1), conduct the examination on the appropriateness of the location of a proposed site under paragraph (4) for such area only.

(6) The Location Selection Committee shall open the process of the examination on the appropriateness of the location of a proposed site and the results of such examination (where it has omitted the examination of the appropriateness or substituted a written opinion of examination by the relevant experts for the examination pursuant to the proviso to paragraph (4), referring to the reason of such omission or such written opinion of examination) under paragraphs (4) and (5) to the residents of the relevant area. In such cases, an agency installing waste disposal facilities shall provide necessary support for opening to the public.

(7) Where the Location Selection Committee intends to select a place the distance of which from the boundary of another local government (excluding the association of local government agencies incorporated pursuant to Article 159 of the Local Autonomy Act; hereinafter the same shall apply in this paragraph) to the boundary of the site of relevant facilities is within a two-kilometer radius as the location when selecting the location pursuant to paragraph (3), it shall, before selecting the location, request an agency installing waste disposal facilities to consult with the head of the local government concerned with the attachment of the results of the examination on the appropriateness of the location of a proposed site and the data for the reason, etc. of selection of such site as the location. In such cases, if an agency installing waste disposal facilities fails to consult with the head of the adjacent local government, it shall make an application for adjustment to the National Environmental Dispute Resolution Commission under Article 4 of the Environmental Dispute Mediation DAct. <Amended by Act No. 11267, Feb. 1, 2012>

(8) If an agency installing waste disposal facilities intends to modify important matters prescribed by Presidential Decree, such as the area of site of the location selected pursuant to paragraph (3), etc., it shall obtain the consent of the Location Selection Committee. In such cases, unless the Location Selection Committee has been established, it shall be established in application of paragraph (3) mutatis mutandis.

(9) When the Location Selection Committee under paragraph (8) consents to the modification of the area of site of the location, where the distance from the boundary of the site after the modification to the boundary of another local government is within a two-kilometer radius, it shall request an agency installing waste disposal facilities to consult with the head of the local government concerned before it consents to such modification. In such cases, if an agency installing waste disposal facilities fails to consult with the head of the local government concerned, the latter part of paragraph (7) shall apply mutatis mutandis.

(10) Matters necessary for the operation of the Location Selection Committee under paragraph (3) and the latter part of paragraph (8) shall be prescribed by Presidential Decree.

[This Article Wholly Amended by Act No. 8810, Dec. 27, 2007]

Article 10 (Determination, Announcement, etc. of Location of Waste Disposal Facilities)

(1) An agency installing waste disposal facilities shall, where it has selected a location for waste disposal facilities under Article 9, determine and announce such location and offer its drawings for public perusal for not less than one month. The same shall also apply to cases where it modifies important matters prescribed by Presidential Decree from among the announced matters. <Amended by Act No. 8810, Dec. 27, 2007>

(2) and (3) Deleted. <by Act No. 5867, Feb. 8, 1999>

(4) Where an agency installing waste disposal facilities intends to determine and announce a location for waste disposal facilities under paragraph (1), it shall consult with the Mayor of a Special Self-Governing City, the Governor of a Special Self-Governing Province, the head of a Si/Gun, or the head of a

Gu, having jurisdiction over the site concerned. <Amended by Act No. 8810, Dec. 27, 2007; Act No. 12077, Aug. 13, 2013>

(5) Contents of the announcement of a location for waste disposal facilities under paragraph (1) and other necessary matters shall be prescribed by Presidential Decree. <Amended by Act No. 8810, Dec. 27, 2007>

Article 11 (Legal Fiction as Area of Use for Location outside Urban Area)

Where the area for installation of waste disposal facilities the location of which has been announced pursuant to Article 10 is located outside the urban area under subparagraph 1 of Article 6 of the National Land Planning and Utilization Act, it shall be deemed that such area has been designated as the planned control area pursuant to Article 36 (1) of the same Act and that such facilities have been determined as the urban or Gun planning facilities pursuant to Article 43 (1) of the same Act. <Amended by Act No. 12077, Aug. 13, 2013>

[This Article Wholly Amended by Act No. 8810, Dec. 27, 2007]

Article 11-2 (Restrictions, etc. on Activities within Location of Waste Disposal Facilities)

(1) A person who intends to engage in any activity falling under any of the following subparagraphs within the location of waste disposal facilities publicly announced pursuant to Article 10 (1) shall obtain permission from the Mayor of a Special Self-Governing City, the Governor of a Special Self-Governing Province, the head of a Si/Gun, or the head of a Gu. The same shall also apply to cases where he/she intends to modify matters prescribed by Presidential Decree from among the permitted matters: <Amended by Act No. 12077, Aug. 13, 2013>

1. Making changes in the form and quality of land;
2. Construction of buildings and structures;
3. Installation of structures;
4. Gathering of earth, stone, sand, or gravel;
5. Division of land prescribed by Presidential Decree;
6. Open-air storage of objects prescribed by Presidential Decree.

(2) If the Mayor of a Special Self-Governing City, the Governor of a Special Self-Governing Province Governor, the head of a Si/Gun, or the head of a Gu intends to grant permission under paragraph (1), he/she shall consult with an agency installing waste disposal facilities in advance. <Amended by Act No. 12077, Aug. 13, 2013>

(3) The Mayor of a Special Self-Governing City, the Governor of a Special Self-Governing Province, the head of a Si/Gun, or the head of a Gu may order a person who has violated paragraph (1) to restore to the original state. <Amended by Act No. 12077, Aug. 13, 2013>

[This Article Wholly Amended by Act No. 8810, Dec. 27, 2007]

Article 11-3 (Approval, etc. of Plans for Installation of Waste Disposal Facilities)

(1) An agency installing waste disposal facilities shall, where it has announced the location of waste disposal facilities pursuant to Article 10 (1), formulate a plan for installation of waste disposal facilities.

(2) The head of a local government or the president of the Sudokwon Landfill Site Management Corporation shall, where he/she has formulated a plan for installation of waste disposal facilities pursuant to paragraph (1), obtain approval from the Minister of Environment. The same shall also apply to cases where he/she modifies matters prescribed by Presidential Decree from among the approved matters.

(3) Where the Minister of Environment has formulated a plan for installation of waste disposal facilities pursuant to paragraph (1) or has approved a plan for installation of waste disposal facilities pursuant to paragraph (2), he/she shall publicly announce such plan in the official gazette, internet media, such as homepage, and at least one central daily newspaper, respectively.

(4)

Matters to be included in the plan for installation of waste disposal facilities under paragraph (1) shall be prescribed by Presidential Decree.

[This Article Wholly Amended by Act No. 8810, Dec. 27, 2007]

Article 12 (Legal Fiction, etc. as Authorization, Permission, etc. under Other Statutes)

(1) Where the plan for installation of waste disposal facilities has been publicly announced pursuant to Article 11-3 (3), it shall be deemed that an agency installing waste disposal facilities has obtained permission, designation, authorization, approval, recognition, decision, license, and announcement, and public notice falling under any of the following subparagraphs: <Amended by Act Nos. 8819 & 8820, Dec. 27, 2007; Act No. 8976, Mar. 21, 2008; Act Nos. 9758 & 9763, Jun. 9, 2009; Act No. 10272, Apr. 15, 2010; Act No. 10331, May 31, 2010; Act No. 12077, Aug. 13, 2013; Act No. 12248, Jan. 14, 2014; Act No. 14480, Dec. 27, 2016>

1. Permission under Article 11-2 (1);
2. Approval of the installation of waste disposal facilities under Article 29 (2) of the Wastes Control Act;
3. Permission for development activities under Article 56 (1) of the National Land Planning and Utilization Act, designation and announcement of a project performer of the urban or Gun planning facilities under Article 86 of the same Act, and formulation, authorization, and announcement of the implementation plan under Articles 88 and 91 of the same Act;
4. Authorization of water supply projects under Articles 17 and 49 of the Water Supply and Waterworks Installation Act and authorization of the installation of exclusive water supply under Articles 52 and 54 of the same Act;
5. Permission for the performance of public sewerage works under Article 16 of the Sewerage Act;
6. Permission for the occupancy or use of public waters under Article 8 of the Public Waters Management and Reclamation Act, approval or reporting of the implementation plan for the occupancy or use of public waters under Article 17 of the same Act, approval of a reclamation license for public waters under Article 28 of the same Act, and the implementation plan for the reclamation of public waters under Article 38 of the same Act;
7. Permission for the performance of harbor works under Article 9 (2) of the Harbor Act and approval of the implementation plan under Article 10 (2) of the same Act;
8. Permission for the performance of river conservation works under Article 30 of the River Act, and permission for the occupancy of river under Article 33 of the same Act, and permission for the use of river water under Article 50 of the same Act;
9. Designation of the route of road under Articles 14 through 18 and 20 of the Road Act, determination of road zones under Article 25 of the same Act, permission for the implementation of road works by a person who is not a road management agency under Article 36 of the same Act, and permission for the occupancy and use of a road under Article 61 of the same Act;
10. Permission for the diversion of farmland under Article 34 of the Farmland Act;
11. Article 16 Deleted. <by Act No. 5867, Feb. 8, 1999>

CHAPTER III SUPPORT, ETC. FOR ADJACENT AREAS AFFECTED BY WASTE DISPOSAL FACILITIES

Article 17 (Determination and Announcement of Affected Adjacent Areas)

(1) An agency installing waste disposal facilities shall determine and announce the adjacent areas to be environmentally affected by the installation and operation of such waste disposal facilities (hereinafter referred to as the "affected adjacent areas") within the period prescribed by Presidential Decree from the date when the plan for installation of waste disposal facilities under Article 11-3 has been publicly announced.

(2) Where an agency installing waste disposal facilities intends to determine and announce the affected adjacent areas pursuant to paragraph (1), it shall have a specialized research institution selected by the Residents Support Consultative Body organized pursuant to Article 17-2 (hereinafter referred to as the "Support Consultative Body") investigate the environmental impact and shall collect the results of such investigation: Provided, That where the Support Consultative Body does not deem it necessary to investigate the environmental impact on the adjacent areas, it may omit the investigation concerned or substitute it by the written opinion of examination by related experts.

(3) The affected adjacent areas shall be classified as follows:

1. Sphere of direct influence: An area where the rehabilitation of residents deemed necessary because it is anticipated that activities of humans and animals, agricultural products, stock farming products, forest products or fishery products may fall under direct environmental influence as a result of investigation on the environmental impact pursuant to paragraph (2);
2. Sphere of indirect influence; An area, as an area within the extent prescribed by Presidential Decree, other than the sphere of direct influence which is anticipated to be environmentally affected as a result of investigation on the environmental impact pursuant to paragraph (2): Provided, That where it is deemed especially necessary, an area outside the extent prescribed by Presidential Decree may be included.

(4) A person who owns land, etc. in the area determined as the sphere of direct influence under paragraph (3) may request an agency installing the waste disposal facilities concerned to purchase his/her land, etc. as prescribed by Presidential Decree. In such cases, the Act on Acquisition of and Compensation for Land, etc. for Public Works Projects shall be applied to such purchase.

(5) An agency installing waste disposal facilities shall use the land purchased pursuant to paragraph (4) for convenience and beneficial facilities for residents or green belt under Articles 20 and 23 and for other purposes prescribed by Presidential Decree.
