Security Accreditation
Scheme

Scope of Certification

To be viewed as part of Security Accreditation Scheme Certificate No: WD-BG-UP-0126-2

Production Site: BEIJING WATCHDATA CO., LTD.

Site Address: No. 3 Anqing Street, Konggang Industry Zone B, Shunyi District, Beijing, 101318, China

Supporting site(s) details: Not applicable

The auditors were provided with appropriate evidence that the processes and controls on the audit dates were consistent with those required by the SAS-UP Standard v9.3 and the SAS Consolidated Security Requirements v11.0, with the following scope:

Generation of data for personalisation:	UICC, eUICC	Personalisation:	Card, Embedded
Management of PKI certificates:	GSMA PKI Live	Post-personalisation packaging:	Not carried out at this site

Notes & Exclusions: During the audit, Watchdata Beijing presented: Key management controls using a single key management system connected to a single HSM certified to be FIPS 140-2 certified with the configuration in use at the time of the audit. EUM certificate management controls using a single CA platform, relying on the KMS for its cryptographic functions. Key management, EUM certificate management and eUICC device certificate signing carried out using any other systems or platforms (including customer-supplied or proprietary solutions) are not included within the scope of the audit process or certification.
