

APAC IoT INNOVATION SUMMIT

Kuala Lumpur 24-26 Sept 2019

#MOBILE360

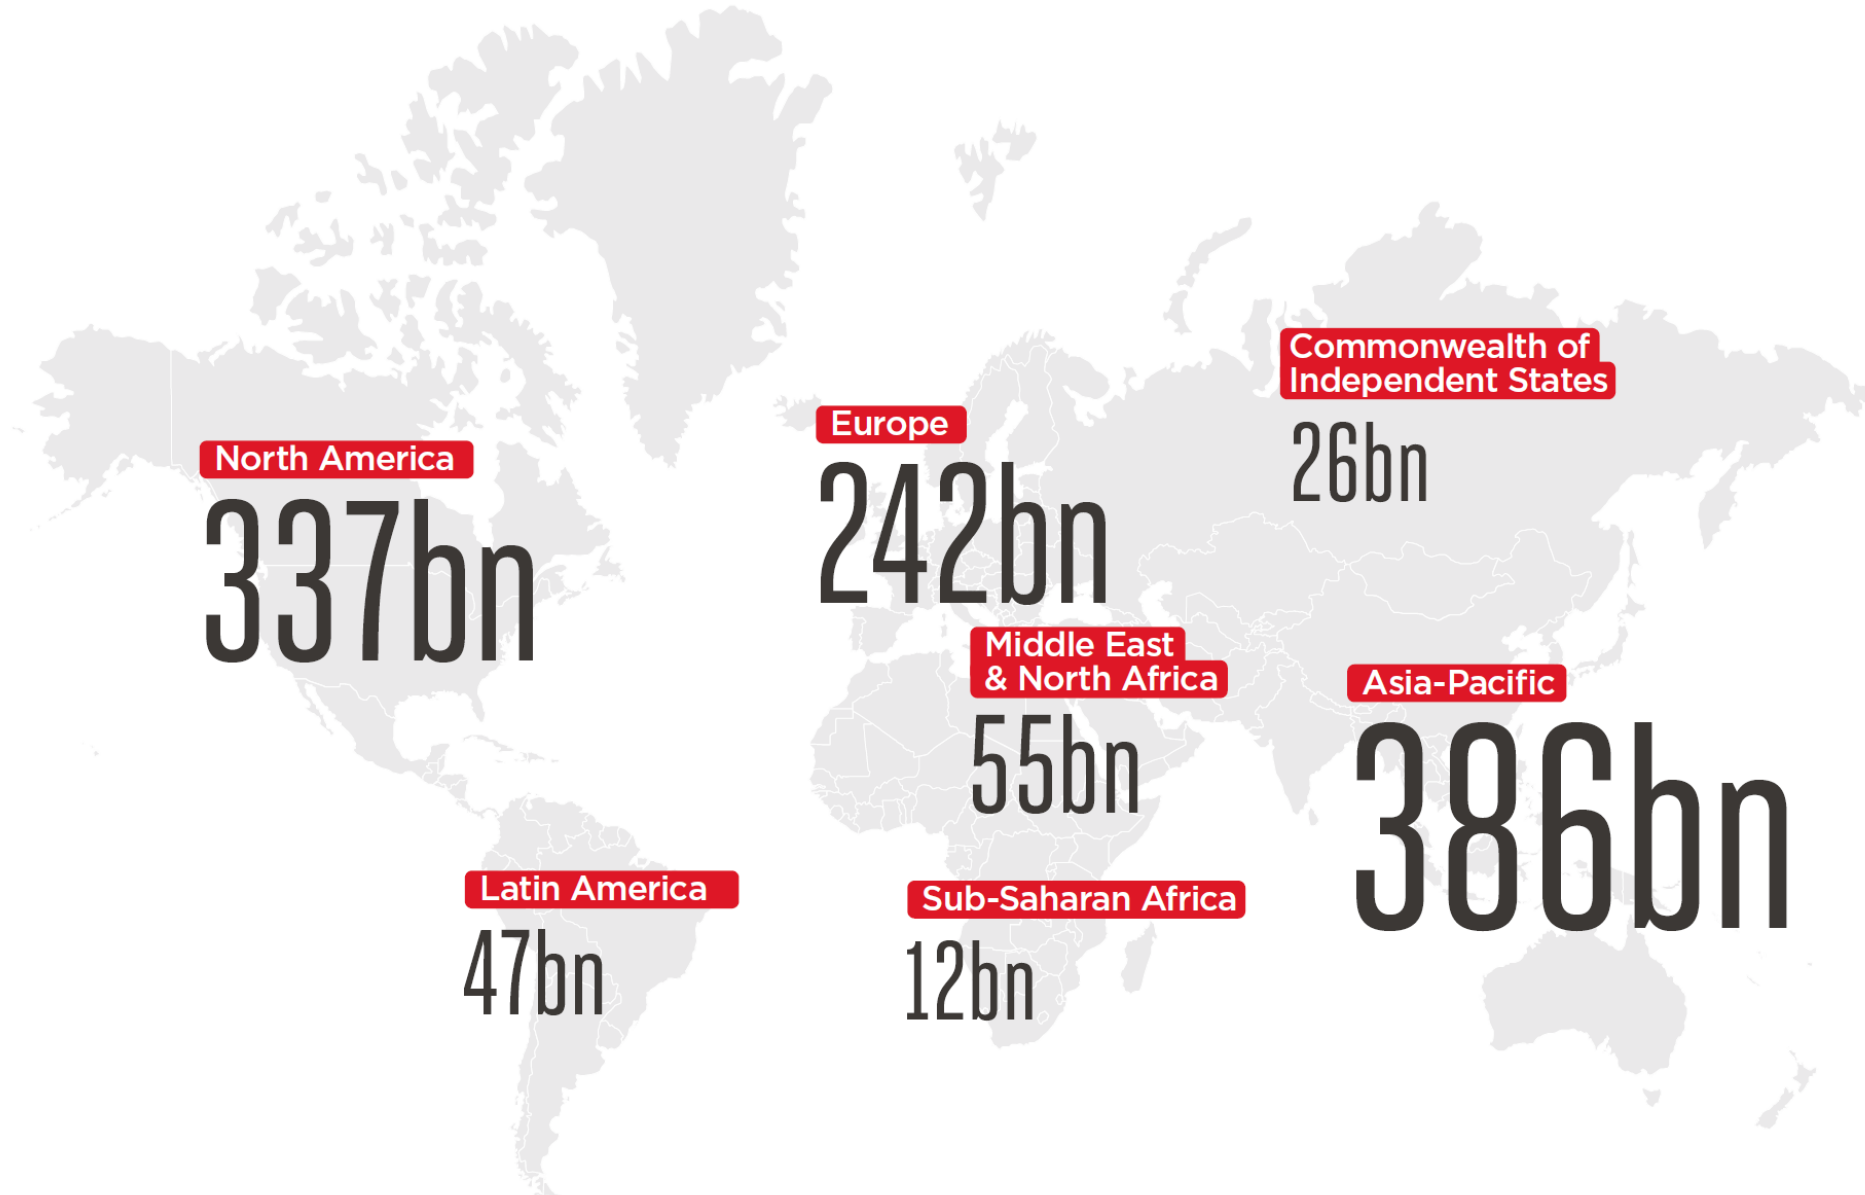

Connectivity Sponsor:  maxis

Kuala Lumpur 24-26 Sept 2019

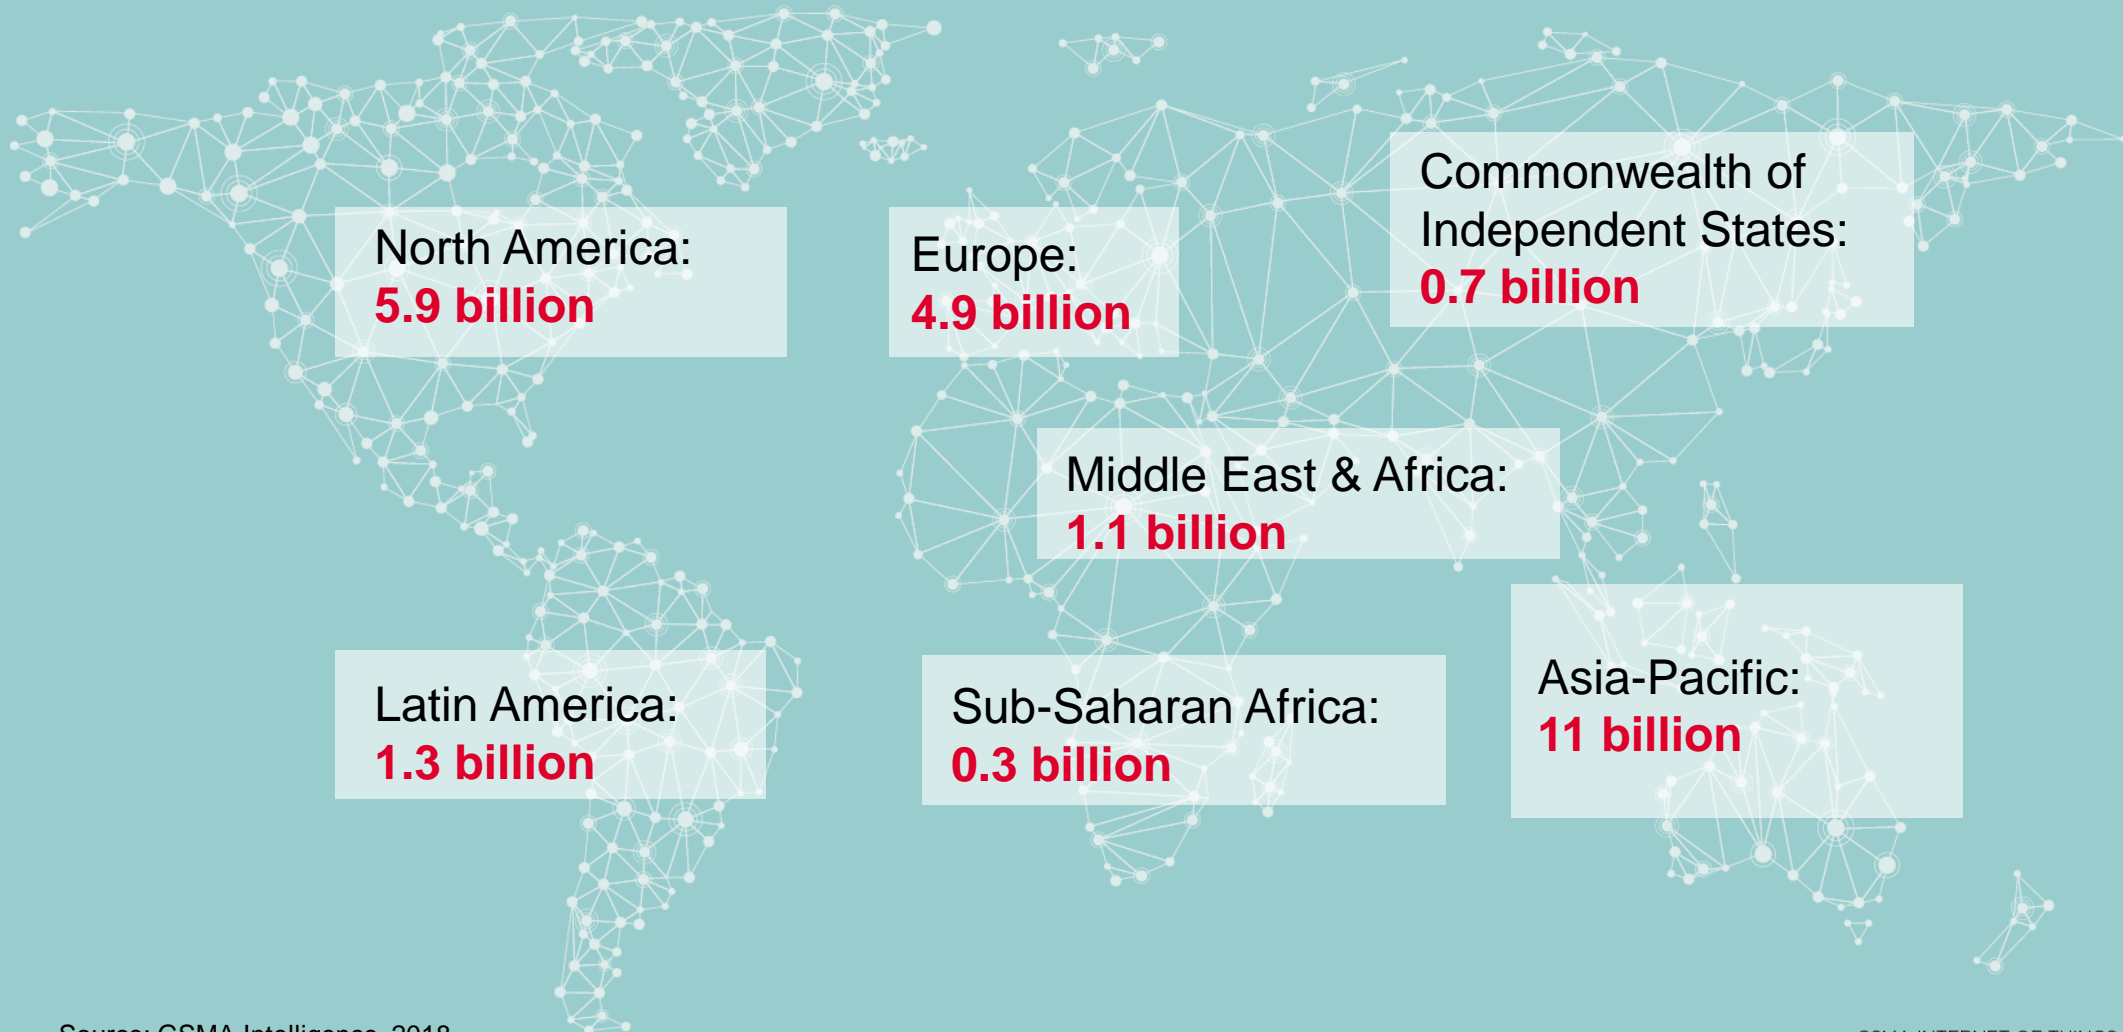

Julian Gorman
Head of Asia Pacific
GSMA

Opening Keynote

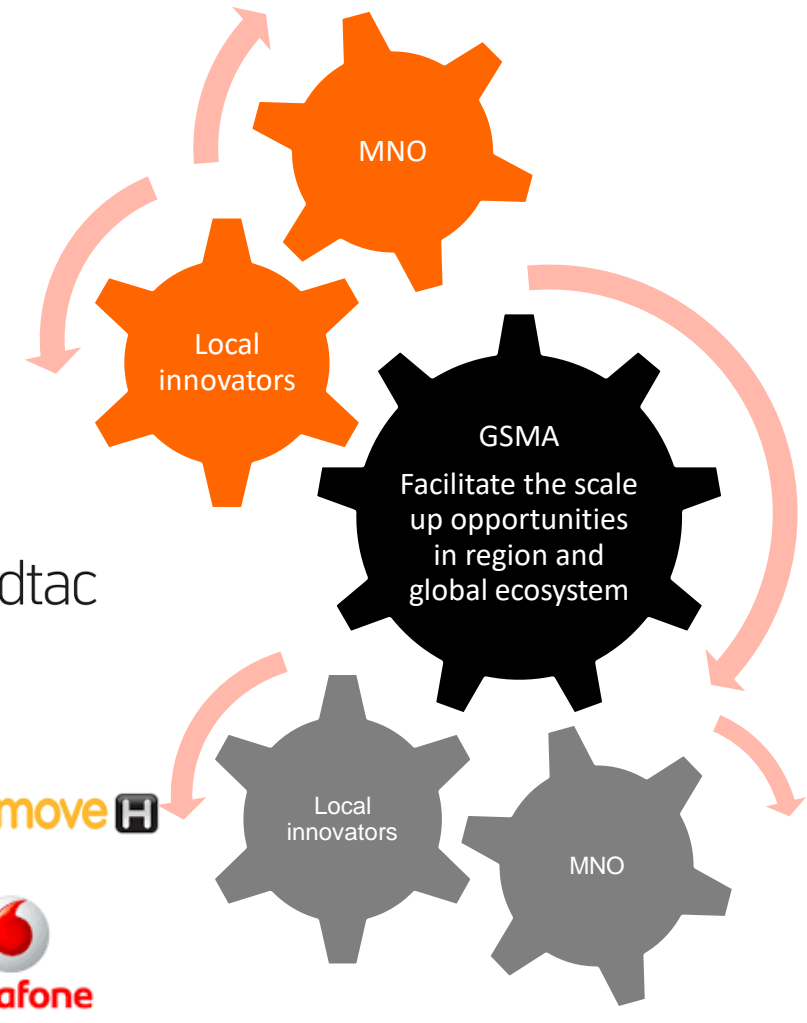

25 BILLION CONNECTED DEVICES – by region

GSMA APAC IoT Partnership Programme

Topic	Description	Description
09:00 – 09:05	Opening Keynote	GSMA
09:05 – 09:50	Session 1: Mobile IoT Latest Deployment and Future Development in Asia Pacific	GSMA, Axiata Group, Viettel Group
09:50 – 10:30	Session 2: Panel on Supply Chain for Mobile Industry in IoT	GSMA moderator: Maxis, Nokia, Huawei, ZTE, Quectel, Telit
10:30 – 10:55	Refreshment Break & IoT Expo (Connected APAC)	
10:55 – 11:00	Session 3: IoT Capability Beyond Connectivity opening address	GSMA
11:00 – 12:30	Session 3: IoT Capability Beyond Connectivity – Smart City, Agriculture, Smart Community, Smart Utility	TM One & Public Works Department Malaysia PT XL Axiata & PT Sierad Produce Maxis & Gamuda Land Jazz & PESCO
12:30 – 13:30	Networking Lunch & IoT Expo (Connected APAC)	
13:30 – 13:50	Session 3: IoT Capability Beyond Connectivity – Smart and Connected lock	Singtel Group & Igloohome
13:50 – 14:30	Session 4: Panel on Fostering IoT Ecosystem in APAC	GSMA moderator: MCMC, Malaysia IoT Association, Indonesia IoT Association, IoTSG Singapore, Eachmile Technologies
14:30 – 15:00	Session 5: IoT Innovation and ecosystem collaboration – Innovators on Drone, Factory	Garuda Robotics, Singapore Daviteq, Vietnam
15:00 – 15:30	Refreshment Break & IoT Expo (Connected APAC)	
15:30 – 16:00	Session 5: IoT Innovation and ecosystem collaboration – Farm, Health	DycodeX, Indonesia Imeus, Malaysia
16:00 – 16:40	Session 6: IoT Use case in 5G	Korea Telecom Quectel NTT DOCOMO
16:40 – 16:45	Closing Remark	GSMA
16:45 – 17:30	Networking & IoT Expo (Connected APAC)	

IoT Expo – Connected APAC

Demo Partner	Operator/Ecosystem Partner	Demonstration	Technology
	 Hãy nói theo cách của bạn	Smarthome Solutions- Easy Control	AI, Big Data, Machine Learning NB-IoT, LTE-M
 		NB-IoT Based NRW Logger – Water management	Big Data NB-IoT
	 Hãy nói theo cách của bạn	Industrial IoT Solutions for Manufacturing, Logistics & Utilities	AI, Big Data, Machine Learning NB-IoT, LTE-M
 DYCODEX	 KEMKOMINFO	SMARTernak: AIoT-powered Cattle-farm Assistant Platform	AI, Big Data NB-IoT
		Connected Urban Airspace Management for Unmanned Aircraft	5G Drones
		Smart Access Management of Facilities, Infrastructure and Assets	NB-IoT

IoT Expo – Connected APAC

Demo Partner	Operator/Ecosystem Partner	Demonstration	Technology
		Imeus Health Tech Platform	Blockchain 5G
 		IoT Based Smart-Grid Solution	Big Data NB-IoT
		Indoor Mushroom Cultivation with NB-IoT enabled Control Environment	Big Data LTE, NB-IoT
		Softhard.IO Data Delivery Platform on smart building, airport, asset & logistics management	AI, Big Data NB-IoT
		STARS: Smart Traffic Analytics & Recognition System	Big Data Cellular
 		Smart Poultry Solutions X-Camp IoT Innovation Lab	Big Data IoT in Mesh

Other APAC IoT Innovators

Demo Partner	Operator/Ecosystem Partner	Demonstration	Technology
		Smart parking	NB-IoT Smart City application
		Smart fishery supply chain	Blockchain Big Data
