

T-ISAC Summit: Prevention through collaboration

Day 1 – Monday 9th September 2024

Welcome coffee 09:00

Session 1 - Uniting against threats: a collaborative approach 09:30 – 10:30

In this session, we'll focus on collaboration and Threat Intelligence sharing; exploring our response to threats as an industry, intelligence gaps we need to address, future threats to prepare for, and how working across sectors and boundaries through T-ISAC can facilitate this.

Introduction	Leonie Lewis, Senior T-ISAC Manager, GSMA
Opening	Mats Granryd, Director General, GSMA
Presentation	Emma Smith, Cyber Security, Technology Assurance and Strategy Director, Vodafone
Fireside chat	Samantha Kight, Head of Industry Security, GSMA Emma Smith, Cyber Security, Technology Assurance and Strategy Director, Vodafone A Senior Government Official - details to be released shortly

Session 2 - Threats from within: reviewing insider risks in telcos 10:30 – 11:15

This session will examine the wider issue of insider threats in the telecommunication industry. We'll focus on how attackers use SimSwapping to hack into corporations for different goals and how intelligence sharing and other methods can strengthen defences. An interactive fireside chat will enable our audience the opportunity to ask questions from an expert on this topic.

Opening	Leonie Lewis, Senior T-ISAC Manager, GSMA
Presentation	Khalid Halloumi, Cyber Threat Analyst, Flashpoint
Fireside chat	Leonie Lewis, Senior T-ISAC Manager, GSMA Khalid Halloumi, Cyber Threat Analyst,

Break
